VOLUME NUMBER XXXIV. CANYON, TEXAS, THURSDAY, MAY 1, 1930. NUMBER 6

TRADES DAY CROWD LARGEST OF THE YEAR

FREE RODEO WAS GREATEST DRAWING CARD MONDAY

Monthly Trades Day Proved to Be a Success; Growing Interest Is Shown.

The largest crowd of people to come to Canyon for Trades Day so far this year came Monday. The free rodeo held east of the college attracted a crowd estimated at more than 1,000 people, most of them from out of town.

"Red" Randolph, rodeo clown, and his trained mule, furnished entertainment for the large crowd during the rodeo performances.

The goat roping contest proved to be more of a comical contest than one displaying the art of throwing a rope. Only two out of about six qualified in the contest. Bud Dolcater was first with 21 seconds, and Bert Dowlen was second with 30 seconds.

Seven riders entered the bronc riding contest. The winners were: Bob Burgess, first; Curley Marriner, second; Red Mitchell, third.

M. Hallabaugh, riding Grey Gull, exhibited probably the best riding ability Monday, and was riding the wildest bronc in the arena, but was disqualified when a stirrup broke. Ken "Hoot" Gibson was the only rider who failed to stay with his horse.

Following the rodeo, which lasted from 1 until 3 p. m., the crowd moved to the court house lawn, where two contests somewhat milder than goat roping and bronc riding were held.

In the orange race, the winners were: E. E. Owen, first; A. L. Overton, second, and S. D. Blackwell, third.

In the second contest held, the winners were: Mrs. Jim Johnston, first; Mrs. Berney Glover, second, and Ruby Burrus, third.

As a concluding feature of the entertainment program, a free program of old fiddlers was held in the district court room.

The crowd Monday was easily the largest here for Trades Day so far this year, and from reports the day was a success from every standpoint. Interest is growing with each month, as manifested by the increasing crowds and greater distances from which they come to trade in Canyon each Trades Day.

Citizens of Canyon Are Law Abiding

Canyon is a law abiding town, according to the statement yesterday of Charles Stratton, night watchman. He has been on the job for four years, and states that there is much less lawlessness at night than when he started on the job.

Mr. Stratton states that there is practically no drunkenness on the streets of Canyon at night, as compared with four years ago when Mr. Stratton went on the job.

Boosters From Amarillo To Be Here on May 13

Goodwill tour lasting three days will be sponsored by the Amarillo Chamber of Commerce, beginning May 13. One hundred and twenty-five business executives are expected to make the trip, which extends from Amarillo to Carlsbad, N. M., over the Santa Fe lines.

Canyon will be the first stop on the trip and the special train will arrive here at 8:25 o'clock in the morning of May 13, remaining here for an hour.

Accompanying the special train will be the Amarillo high school band to furnish music for the occasion. Mason King, head of the trade extension department of the Amarillo Chamber of Commerce, was here last week announcing the plans of the Amarillo organization.

LAND TRANSFERS

S. B. McClure reports the sale of the E. V. Holman place to Dr. S. C. Ball of Fort Worth, and Dr. S. W. Ball of Amarillo.

D. A. Shirley and R. P. Jarrett were visitors in Fort Worth and Dallas from Thursday until Saturday.

Bob Sikes and Jack Taylor, both of Childress, were guests of Mrs. J. B. Sikes, Saturday and Sunday. Mr. Sikes is an ex-student of Canyon high school.

CANYON CITY CLUB HIRES GROUND KEEPER

The Canyon City club hired J. A. Woodfin as caretaker and groundkeeper of the club property, at a meeting held last Wednesday night.

Rotarians Hear Boy Scout Report

Reports were heard Tuesday at the Rotary club from the delegates to the district convention held at Temple, and from the Boy Scout committee. Wes Kunze and Flanigan Smith were delegates to the Rotary convention, and made a brief report upon their trip.

Travis Shaw made a report on the Boy Scout winnings at Amarillo. The Rotary club is sponsoring the Scout movement in Canyon. A complete equipment was purchased under the direction of the Rotary club, and presented to the Scouts.

Visitors present Tuesday were: Jim Williams, Roy White, O. W. Wright, Roy Pool, M. W. Cunningham, D. W. Caldwell, R. R. Swindell, A. F. Agee, Dr. Puckett, Fred P. Buen, and George Lantez, all of Amarillo; L. N. George and Ray V. Davis of Canyon.

L. N. George, secretary of the Chamber of Commerce, stated that he had found over the Panhandle a real need of more Scout executives. He believed that Canyon should be the training place of young men who would go out as Scout leaders in other towns over the Plains.

Boy Scouts Take First Honors at Amarillo Meeting

The Canyon Boy Scouts proved themselves worthy of the new equipment recenly furnished them by the Rotary Club, by walking away with the first prize trophy of the first annual Scout Camporee of the Panhandle held in Amarillo Saturday.

Scoring 84.70 points, the Canyon troup was easily the winner of the meet in which 9 scout troups of the Panhandle participated. The meet was held at the Tri-State Fair grounds with contests in all scouting activities. More than 300 boys were in attendance.

Numerous prizes were given to the winning troup and individual winners by leading business firms and professional men of Amarillo.

The local troup was presented with more than $250 worth of the equipment a few days ago as a gift from the Rotary Club. The new equipment includes enough pup tents for forty boys, complete cooking utensils, two large tents and other equipment necessary for comfortable camping. The Rotary Club in sponsoring the Boy Scout project this year.

It was through the Rotarians that transportation to Amarillo was secured for the boys. Wes Kleinschmidt of the Rotary Club was in charge of securing transportation. C. W. West, Scoutmaster, accompanied the boys to Amarillo.

The following Scouts and Scout officials were present to battle for the name of Canyon: Ed Cabe, Willis Howard, Lee Chambers, Beeson Thomas Ziegler, Ray Small, Ed Wood, Hampton Lisle, Glen Gilespie, Jack Kilcrease, Francis Elliston, Bill Cone, Earl Ritchie, Don Savage, Dan Gerald, Arthur Chambers, Jackie Pitts, Earl Lewis, Ralph Higdon, Lewis Upchurch, J. C. Baker, Lucius Penick, Landon Terry, Levon Bonner, J. B. Clark, Mayo Tanner, Eugene Davis, Dan Aynesworth, C. W. West, Lewis Shirley, Earl Cobb, Joe Hill, and Winston Savage.

MAYOR THOMPSON SAYS HIWAY GAP CLOSED SOON

Mayor E. O. Thompson of Amarillo notified John Knight Tuesday that so far as Amarillo was concerned, the gap at the north end of the highway will be closed at once. He states that the city of Amarillo and the property owners are ready to do their share of the work. They are awaiting the action of the state highway commission, which has promised to assist on this paving project. Mayor Thompson states that Amarillo's money is ready for the paving.

Mr. and Mrs. N. E. McIntire spent Sunday in Hereford in the home of Mrs. McIntire's parents, Mr. and Mrs. T. R. Gass.

Jack Figh of Memphis transacted business in Canyon Wednesday.

16 Free Want Ads

R. D. Lowry was the first person to take advantage of the News' offer for a free Want Ad in this week's issue. The offer, lasting for Trades Day, Monday, April 28, brought 16 free want ads to this office.

Will Meyers was the second person to bring in an ad. He followed Mr. Lowry by only a few minutes. All day the ads came to the office, with people taking advantage of the offer.

The various things offered for sale in the free want ads are valued at approximately $20,550.

MEMBERSHIP DRIVE GETS BIG RESULTS

HEARTY RESPONSE GREETING DRIVE FOR MEMBERS

Drive to Continue in Effort to Secure United Co-operation of Canyon Citizens.

The membership drive of the Chamber of Commerce which began Friday morning of last week, has met with abounding success. The membership of the organization has been more than doubled, but as yet the membership covers only 50 per cent of the business firms of Canyon.

The drive for new members began early last Friday morning with a committee composed of W. A. Warren, Roy Moses, and M. S. Bishir. In the afternoon a committee composed of Ray Campbell, Earl Robbins and T. F. Nevins, took up the work, and they were in turn followed by other committees this week.

The work of the Chamber of Commerce officials staging the drive has brought results pleasing to all. A continued drive will be carried on in an effort to line up the merchants of Canyon 100 per cent with the Chamber of Commerce.

The program outlined for the organization will go forward now with the unified support of the citizenship behind it. The finances of the organization which is a wide-awake builder for the town will be taken care of in a creditable manner, whereas, heretofore, the burden of carrying on the work of the organization has been on the hands of a few.

A meeting of the board of directors will be held next Monday night to discuss the problems that need the immediate attention of the organization. They will formulate plans for a banquet to be held at an early date.

L. N. George, secretary of the body, makes the following statement:

"The board of directors intend to have Canyon business firms supporting the Chamber of Commerce 100 per cent. More firms joined the organization last week than were already members.

"Several individuals have joined, and have said, in substance, 'since the business people of Canyon are supporting the Chamber of Commerce like they are, you may count me in.' Every citizen of Canyon should be supporting the Chamber of Commerce.

"The Chamber of Commerce is working, and working hard. A check up shows that around 50 per cent more of our people are buying at home since we started a buying-at-home campaign. Our gasoline, autoparts and automobile dealers are 100 per cent behind our Chamber of Commerce and the trade-at-home movement.

"Other classes of business firms are rapidly falling in line. We do not mean to shut ourselves up from the outside world, but our automobile dealers are willing to look over our dry goods market, since our dry goods dealers are willing to look over our automobile market. We are just being neighbors, that's all.

"Yes, there will be a banquet pretty soon and every citizen of Canyon is hereby invited to attend and bring any suggestion you may have to offer for the good of the town.

"Next Monday night there will be a directors' meeting. If you have any suggestion, give it to Wes Kleinschmidt, and he will present the suggestion to the board.

"In spite of the handicap of a small membership, the Canyon Chamber of Commerce has done some worth while things. During the past year it has, 1, mailed out to prospective home buyers 5,000 booklets showing Randall county's possibilities; 2, distributed 200 large photographic folders showing our Palo Duro Canyon scenery; 3, moved the stock pens and opened up a beautiful tract of ground for settlement; 4, sent the college glee club down through the state contacting more home makers for Randall county; 5, sent a secretary over a good portion of the Panhandle country contacting home seekers for Randall county, and, 6, sent the college band on a tour."—L. N. George.

STORK SPECIAL

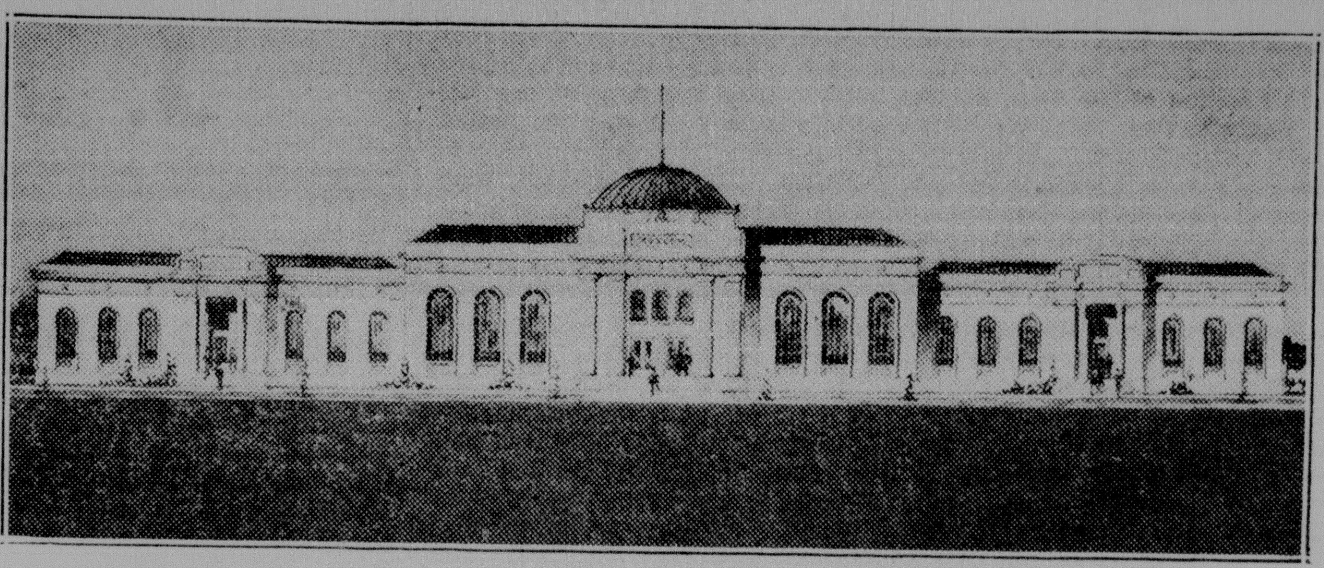
Mr. and Mrs. Ira M. Powell of Luling announce the arrival of a 7½-pound boy, Sunday, April 20. The young gentleman has been christened Ira Chesley.

Mr. and Mrs. Powell were formerly students in the college here.

R. L. McMurtry of Amarillo was a business visitor in Canyon Wednesday.

Mr. and Mrs. Dave Ewing of Amarillo were guests in the D. M. Thomas home Sunday.

PLANS ADOPTED FOR NEW HISTORICAL BUILDING



The building committee of the Panhandle-Plains Historical Society will meet in Amarillo, Saturday morning to formulate plans to start the financial campaign for the erection of the museum building of the society. The plan, as pictured above, was adopted at the meeting of the Historical Society in this city last month. The building committee which will organize plans for the campaign Saturday consists of: H. E. Hoover, Canadian; R. P. Smythe, Plainview; J. A. Hill, Canyon; T. D. Hobart, Pampa; W. H. Patrick, Clarendon; Gene Howe, Amarillo; H. M. Russell, Amarillo; Mrs. Olive Dixon, Miami; Mrs. W. T. Coble, Amarillo.

Census Report Will be Filed Today by Mrs. C. R. Flesher—Indications Are a Good Gain Will be Shown for the City

Canyon citizens will know tomorrow the exact count of our people. Mrs. C. R. Flesher, census enumerator, will make a report either this afternoon or Friday morning to Galen R. Smith, district supervisor, and the count will then be made public.

However, the report will be subject to review and revision. If there are any in the city who have not been counted, please fill out the request blank printed again in this issue of the News, and either mail it to Mr. Smith, or to the News office.

Mrs. Flesher stated this morning that she was not allowed to give out any information as to the census until it has been received by Mr. Smith. She states, however, that Canyon has made a very substantial gain, and believes that the citizens will feel highly pleased when the count is announced. She has made a great effort to secure the name of every citizen in Canyon, but would greatly appreciate it, if any have been missed, to report the same. The total for the city will not be official until the county has been revised.

The Chamber of Commerce and the Boy Scouts spent yesterday in assisting Mrs. Flesher check over the population. Three families were reported yesterday to the News, who had been missed, and these were secured last night for the census rolls.

Senator Small Will Open Campaign Friday p. m. in Amarillo

Several hundred Canyon people expect to go to Amarillo Friday night for the biggest political rally ever pulled off in this section, when Senator Clint C. Small will formally open his campaign for governor of Texas.

Delegations have been promised from every section of the Panhandle. Canyon citizens feel a great interest in the candidacy of Senator Small, and many will take this opportunity to hear him in his first public appearance since the announcement last Tuesday for governor.

Those who go from Canyon are urged to be at the municipal auditorium before 7:45 p. m., when the meeting will open.

Governor Hill has been appointed Panhandle manager for Senator Small.

W. T. High Girls Leave for State Meet at Houston

Miss Elizabeth Cox of the home economics department of the college; Miss Edna Irene Bandy, and Miss Ester Mae Smith left this morning for Houston, where the two students will enter the state clothing contest.

This contest is held under the direction of Miss Lillian Peake, and all high schools of the state which offer sewing in their course of study, may enter contestants. The contest, which is an annual affair, attracts hundreds to the meet.

The Canyon girls are students in the college high school department. They will enter the feature contests, one modeling a traveling ensemble, the other a tailored dress which she has made.

The party will return Sunday.

Mr. and Mrs. Johnny Gazaway moved to Amarillo Wednesday, where they will make their future home. Mr. Gazaway will be associated with the M System stores there.

Barry Miller Visits Friends

Lieutenant Governor Barry Miller was here Friday for two hours visiting with friends. He is a candidate for governor of Texas. He has served three terms as lieutenant governor, after 10 years as a member of the state senate and in the house of representatives. He was district judge for a term in Dallas county.

Governor Miller states that he will be in the second primary without a doubt. He states that under conditions, he cannot even guess as to whom he will have to oppose in the second primary.

Governor Miller is making few speeches during the early part of the campaign, but is merely visiting with friends over the state.

Ballengee Wishes to Complete Farm Census of Precinct One

At this writing there are 40 farms to visit in precinct No. 1 of Randall county. They have tried to get an accurate report from each farm, and want to thank everyone for their cooperation.

There are about 20 farm reports out which should be mailed to me at once. Please send them in so we can report precinct No. 1 100 per cent.

JAMES I. BALLENGEE,
Enumerator.

Large Crowds Here For Equipment Day

More than 500 people were fed at the noon hour Friday at the second annual Farm Equipment Day of the Thompson Hardware company. The day of entertainment and educational features was attended by a crowd of farmers from this section that exceeded the expectations of the local firm.

Crowds began to come early in the morning and remained until late afternoon. The Strand theatre was filled to capacity for the free picture show. The day was one of entertainment and get-together for the farmer

Nine representatives of the International Harvester company were present and in their opinion the Farm Equipment Day here last Friday was one of the best of its kind ever held in the Panhandle.

In speaking of the day, Clarence Thompson of the Thompson Hardware company, said: "We were more than pleased with the attendance at our second Farm Equipment Day. No effort was made to make it a sales day, but rather one in which the farmer and his family might have a good time. We were highly complimented on the success of the day, and are well pleased with the way in which it was received."

HAVE YOU BEEN ENUMERATED?

If not, or if you have any doubt, fill out this coupon and mail to:

Galen R. Smith, Supervisor of Census,
330 Federal Bldg., Amarillo, Texas.

On April 1, 1930, I was living at address given below, but to the best of my knowledge I have not been enumerated, either there or anywhere else.

Name ....

Street and No. ....

City ....

Worth A. Jennings Announces Office of County Judge

To the Voters of Randall County:

After careful consideration I have decided to enter the race for County Judge, subject to the Democratic Primaries. In doing so, I am concious of the serious responsibilities that go with the position.

If elected I pledge myself to the following:

An honest and efficient administration.

When presiding in the court, to render fair and impartial decisions.

In matters in the probate court, to always be alert, guarding the interests of the widows and orphans; and in the matters of the rural schools, working in harmony with the local trustees in every way to advance the cause of education.

I feel that I have a fair idea as to the general management of the county's affairs, and while I am not a lawyer, I hope I may be permitted to say with a reasonable amount of pride, that while serving in this capacity previously, my decisions stood up one hundred per cent in the civil court of appeals.

To those who have lived in the county for a number of years you are familiar with my record.

To those whom I have not had the pleasure of knowing I will say that I have been honored by the people of this county in allowing me to serve them for nine years as sheriff and tax collector and two years as county judge.

If I am selected to serve at this time I will give the office my undivided attention and will strive to conduct the affairs of the office in such a manner, that no one will have cause to regret having placed the trust in my keeping.

Yours very truly,
WORTH A. JENNINGS.

Contestants of League Leave for State Meeting

The train bearing contestants of the Panhandle to the State Interscholastic league meet at Austin left here yesterday morning. W. E. Lockhart, head of the commercial department of the college, and director general of district No. 1 of the league, and his son Vincent, boarded the train here.

The girls' tennis team of the Canyon high school won the district title, but lost in the bi-district encounter, and therefore failed to be qualified for the state meet. They were the only ones who had any chance of going to the meet following the district meet held here April 18 and 19.

HAS OPERATION

Lewis Shirley was operated upon Saturday morning at 3 o'clock at an Amarillo hospital with an emergency case of appendicitis. He is doing well this week.

Do your shopping in Canyon.

COMPLETE TWO HIGHWAYS IN COMING YEAR

CALICHE BASE AND ASPHALT TOPPING IS APPROVED

State Highway Officials Anxious to Complete Job Here—Gaps Will Be Closed North of Canyon.

Randall county will have a paved highway from Canyon south to Happy, and west to the Deaf Smith county line before the end of another year, if plans which were adopted last week by the state highway commission are carried out. County Commissioners W. E. Bennett, A. W. Burgan and M. W. Hess appeared before the state commission, and asked that action be taken at once to complete the highway program in Randall county. When advised as to the amount of money the county has remaining from the bond issue, Commissioner Ely moved that the state complete the hard surfacing work in Randall county, and this was adopted.

The state highway officials are planning a trip to the Panhnadle during the coming month. Plans have been completed on the survey of the highway west from Canyon, and the route will be inspected at that time.

Mr. Bennett states that the gap just north of the viaduct will be closed just as soon as Ben Flyn, the contractor, can move an outfit here to do the work. The gap will be closed with quick-setting cement, so that traffic will not be interfered with, excepting for a short time.

Regarding the gap on the north end, within the city limits of Amarillo, Randall county's commissioners were promised that some action would be taken when the state officials were on their visit here.

According to the plans adopted last week, a 10-inch base of caliche will first be placed on the highway south. This base will then be rolled to eight inches, with a double treatment of inverted penetration asphalt topping. The state officials stated that if it were thought that a triple treatment would be necessary to carry the heavy treatment on this highway, that the state would bear the extra exnense. It is the desire to put down a highway that will stand the heaviest kind of traffic. The county officials have been of the opinion that this highway needed a concrete pavement, but the state body has found by experiments in other parts of the state that the topping as proposed will carry all of the traffic that travels this highway. If a concrete pavement were called for, it would take another bond issue, or else the state would have had to put in a great amount of money. The commissioners court opposed another bond issue at this time, and the state officials desired very much that the Randall county paving projects be completed without further delay.

Davis Buys Rights at Harding Ranch

The concession rights at the Harding Ranch on the Palo Duro Canyon have been leased by Ray V. Davis of Canyon. Mr. Davis will operate the concessions at the ranch, during the summer months.

The grand opening of the ranch for the coming season will be held Sunday with a big celebration.

Rain of .81 Makes Wheat Prospects a Great Deal Brighter

Three rains this week added .81 of an inch moisture, and makes the wheat prospects quite promising all over the county, according to farmers who have been in Canyon the past few days.

A rain Thursday amounted to .20 of an inch; another Sunday afternoon added .33 of an inch, and the third on Monday amounted to .18 of an inch.

Moisture for the month of April amounted to 1.38 inches in Canyon.

RANDALL DAIRYMEN ATTEND JERSEY SALE

County Agent W. H. Upchurch, in company with C. C. Stewart, H. R. Fulton, J. W. Watson and L. J. Fulton, left Wednesday morning to attend a disposal sale of registered Jerseys which is to be held at Enid, Okla., today. The party will return Friday.

The dairymen expect to buy some of the stock which will be offered for sale and will add them to their dairy herds.

MARRIAGE LICENSE

R. A. Sneed, Tulia, and Mrs. Cynthia Newton, Happy, April 25.

Diamonds and wedding rings. E. Burroughs.

"Next Monday night there will be a directors' meeting. If you have any suggestion, give it to Wes Kleinschmidt, and he will present the suggestion to the board.

"In spite of the handicap of a small membership, the Canyon Chamber of Commerce has done some worth while things. During the past year it has, 1, mailed out to prospective home buyers 5,000 booklets showing Randall county's possibilities; 2, distributed 200 large photographic folders showing our Palo Duro Canyon scenery; 3, moved the stock pens and opened up a beautiful tract of ground for settlement; 4, sent the college glee club down through the state contacting more home makers for Randall county; 5, sent a secretary over a good portion of the Panhandle country contacting home seekers for Randall county, and, 6, sent the college band on a tour."—L. N. George.

STORK SPECIAL

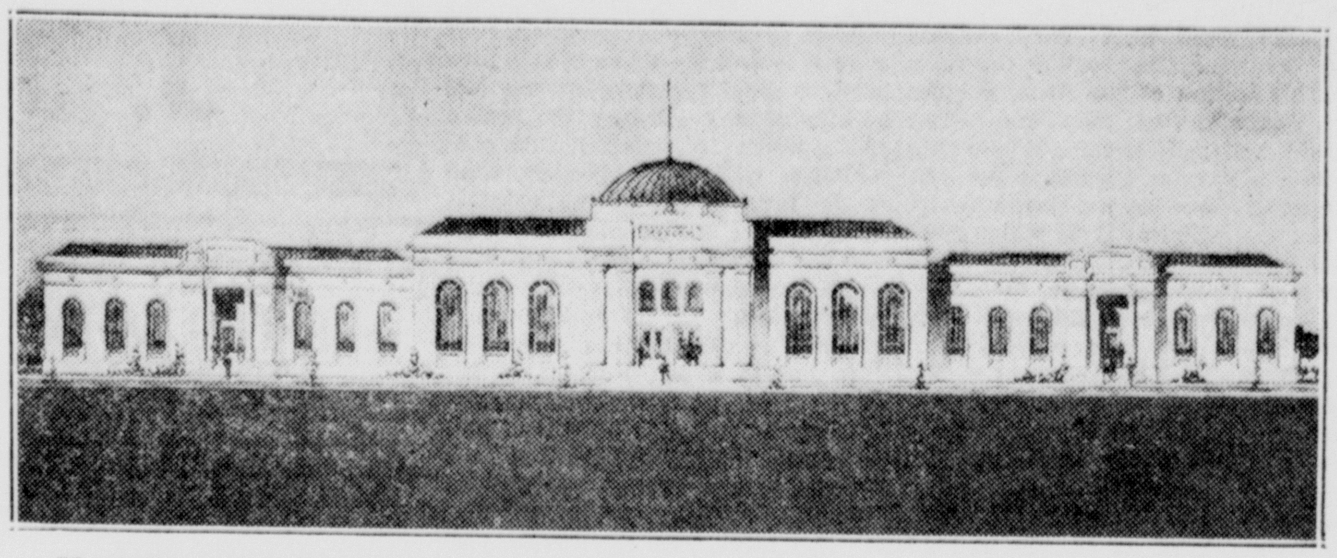
Mr. and Mrs. Ira M. Powell of Luling announce the arrival of a 7½-pound boy, Sunday, April 20. The young gentleman has been christened Ira Chesley.

Mr. and Mrs. Powell were formerly students in the college here.

R. L. McMurtry of Amarillo was a business visitor in Canyon Wednesday.

Mr. and Mrs. Dave Ewing of Amarillo were guests in the D. M. Thomas home Sunday.

PLANS ADOPTED FOR NEW HISTORICAL BUILDING



The building committee of the Panhandle-Plains Historical Society will meet in Amarillo, Saturday morning to formulate plans to start the financial campaign for the erection of the museum building of the society. The plan, as pictured above, was adopted at the meeting of the Historical Society in this city last month. The building committee which will organize plans for the campaign Saturday consists of: H. E. Hoover, Canadian; R. P. Smythe, Plainview; J. A. Hill, Canyon; T. D. Hobart, Pampa; W. H. Patrick, Clarendon; Gene Howe, Amarillo; H. M. Russell, Amarillo; Mrs. Olive Dixon, Miami; Mrs. W. T. Coble, Amarillo.

Census Report Will be Filed Today by Mrs. C. R. Flesher—Indications Are a Good Gain Will be Shown for the City

Canyon citizens will know tomorrow the exact count of our people. Mrs. C. R. Flesher, census enumerator, will make a report either this afternoon or Friday morning to Galen R. Smith, district supervisor, and the count will then be made public.

However, the report will be subject to review and revision. If there are any in the city who have not been counted, please fill out the request blank printed again in this issue of the News, and either mail it to Mr. Smith, or to the News office.

Mrs. Flesher stated this morning that she was not allowed to give out any information as to the census until it has been received by Mr. Smith. She states, however, that Canyon has made a very substantial gain, and believes that the citizens will feel highly pleased when the count is announced. She has made a great effort to secure the name of every citizen in Canyon, but would greatly appreciate it, if any have been missed, to report the same. The total for the city will not be official until the county has been revised.

The Chamber of Commerce and the Boy Scouts spent yesterday in assisting Mrs. Flesher check over the population. Three families were reported yesterday to the News, who had been missed, and these were secured last night for the census rolls.

Senator Small Will Open Campaign Friday p. m. in Amarillo

Several hundred Canyon people expect to go to Amarillo Friday night for the biggest political rally ever pulled off in this section, when Senator Clint C. Small will formally open his campaign for governor of Texas.

Delegations have been promised from every section of the Panhandle. Canyon citizens feel a great interest in the candidacy of Senator Small, and many will take this opportunity to hear him in his first public appearance since the announcement last Tuesday for governor.

Those who go from Canyon are urged to be at the municipal auditorium before 7:45 p. m., when the meeting will open.

Governor Hill has been appointed Panhandle manager for Senator Small.

W. T. High Girls Leave for State Meet at Houston

Miss Elizabeth Cox of the home economics department of the college; Miss Edna Irene Bandy, and Miss Ester Mae Smith left this morning for Houston, where the two students will enter the state clothing contest.

This contest is held under the direction of Miss Lillian Peake, and all high schools of the state which offer sewing in their course of study, may enter contestants. The contest, which is an annual affair, attracts hundreds to the meet.

The Canyon girls are students in the college high school department. They will enter the feature contests, one modeling a traveling ensemble, the other a tailored dress which she has made.

The party will return Sunday.

Mr. and Mrs. Johnny Gazaway moved to Amarillo Wednesday, where they will make their future home. Mr. Gazaway will be associated with the M System stores there.

Barry Miller Visits Friends

Lieutenant Governor Barry Miller was here Friday for two hours visiting with friends. He is a candidate for governor of Texas. He has served three terms as lieutenant governor, after 10 years as a member of the state senate and in the house of representatives. He was district judge for a term in Dallas county.

Governor Miller states that he will be in the second primary without a doubt. He states that under conditions, he cannot even guess as to whom he will have to oppose in the second primary.

Governor Miller is making few speeches during the early part of the campaign, but is merely visiting with friends over the state.

Ballengee Wishes to Complete Farm Census of Precinct One

At this writing there are 40 farms to visit in precinct No. 1 of Randall county. They have tried to get an accurate report from each farm, and want to thank everyone for their co-operation.

There are about 20 farm reports out which should be mailed to me at once. Please send them in so we can report precinct No. 1 100 per cent.

JAMES I. BALLENGEE,
Enumerator.

Large Crowds Here For Equipment Day

More than 500 people were fed at the noon hour Friday at the second annual Farm Equipment Day of the Thompson Hardware company. The day of entertainment and educational features was attended by a crowd of farmers from this section that exceeded the expectations of the local firm.

Crowds began to come early in the morning and remained until late afternoon. The Strand theatre was filled to capacity for the free picture show. The day was one of entertainment and get-together for the farmer.

Nine representatives of the International Harvester company were present and in their opinion the Farm Equipment Day here last Friday was one of the best of its kind ever held in the Panhandle.

In speaking of the day, Clarence Thompson of the Thompson Hardware company, said: "We were more than pleased with the attendance at our second Farm Equipment Day. No effort was made to make it a sales day, but rather one in which the farmer and his family might have a good time. We were highly complimented on the success of the day, and are well pleased with the way in which it was received."

Worth A. Jennings Announces Office of County Judge

To the Voters of Randall County:

After careful consideration I have decided to enter the race for County Judge, subject to the Democratic Primaries. In doing so, I am conscious of the serious responsibilities that go with the position.

If elected I pledge myself to the following:

An honest and efficient administration.

When presiding in the court, to render fair and impartial decisions.

In matters in the probate court, to always be alert, guarding the interests of the widows and orphans; and in the matters of the rural schools, working in harmony with the local trustees in every way to advance the cause of education.

I feel that I have a fair idea as to the general management of the county's affairs, and while I am not a lawyer, I hope I may be permitted to say with a reasonable amount of pride, that while serving in this capacity previously, my decisions stood up one hundred per cent in the civil court of appeals.

To those who have lived in the county for a number of years you are familiar with my record.

To those whom I have not had the pleasure of knowing I will say that I have been honored by the people of this county in allowing me to serve them for nine years as sheriff and tax collector and two years as county judge.

If I am selected to serve at this time I will give the office my undivided attention and will strive to conduct the affairs of the office in such a manner, that no one will have cause to regret having placed the trust in my keeping.

Yours very truly,
WORTH A. JENNINGS.

Contestants of League Leave for State Meeting

The train bearing contestants of the Panhandle to the State Interscholastic league meet at Austin left here yesterday morning. W. E. Lockhart, head of the commercial department of the college, and director general of district No. 1 of the league, and his son Vincent, boarded the train here.

The girls' tennis team of the Canyon high school won the district title, but lost in the bi-district encounter, and therefore failed to be qualified for the state meet. They were the only ones who had any chance of going to the meet following the district meet held here April 18 and 19.

HAS OPERATION

Lewis Shirley was operated upon Saturday morning at 3 o'clock at an Amarillo hospital with an emergency case of appendicitis. He is doing well this week.

Do your shopping in Canyon.

HAVE YOU BEEN ENUMERATED?

If not, or if you have any doubt, fill out this coupon and mail to:

Galen R. Smith, Supervisor of Census,
330 Federal Bldg., Amarillo, Texas.

On April 1, 1930, I was living at address given below, but to the best of my knowledge I have not been enumerated, either there or anywhere else.

COMPLETE TWO HIGHWAYS IN COMING YEAR

CALICHE BASE AND ASPHALT TOPPING IS APPROVED

State Highway Officials Anxious to Complete Job Here—Gaps Will Be Closed North of Canyon.

Randall county will have a paved highway from Canyon south to Happy, and west to the Deaf Smith county line before the end of another year, if plans which were adopted last week by the state highway commission are carried out. County Commissioners W. E. Bennett, A. W. Burgan and M. W. Hess appeared before the state commission, and asked that action be taken at once to complete the highway program in Randall county. When advised as to the amount of money the county has remaining from the bond issue, Commissioner Ely moved that the state complete the hard surfacing work in Randall county, and this was adopted.

The state highway officials are planning a trip to the Panhnadle during the coming month. Plans have been completed on the survey of the highway west from Canyon, and the route will be inspected at that time.

Mr. Bennett states that the gap just north of the viaduct will be closed just as soon as Ben Flyn, the contractor, can move an outfit here to do the work. The gap will be closed with quick-setting cement, so that traffic will not be interfered with, excepting for a short time.

Regarding the gap on the north end, within the city limits of Amarillo, Randall county's commissioners were promised that some action would be taken when the state officials were on their visit here.

According to the plans adopted last week, a 10-inch base of caliche will first be placed on the highway south. This base will then be rolled to eight inches, with a double treatment of inverted penetration asphalt topping. The state officials stated that if it were thought that a triple treatment would be necessary to carry the heavy treatment on this highway, that the state would bear the extra expense. It is the desire to put down a highway that will stand the heaviest kind of traffic. The county officials have been of the opinion that this highway needed a concrete pavement, but the state body has found by experiments in other parts of the state that the topping as proposed will carry all of the traffic that travels this highway. If a concrete pavement were called for, it would take another bond issue, or else the state would have had to put in a great amount of money. The commissioners court opposed another bond issue at this time, and the state officials desired very much that the Randall county paving projects be completed without further delay.

Davis Buys Rights at Harding Ranch

The concession rights at the Harding Ranch on the Palo Duro Canyon have been leased by Ray V. Davis of Canyon. Mr. Davis will operate the concessions at the ranch, during the summer months.

The grand opening of the ranch for the coming season will be held Sunday with a big celebration.

Rain of .81 Makes Wheat Prospects a Great Deal Brighter

Three rains this week added .81 of an inch moisture, and makes the wheat prospects quite promising all over the county, according to farmers who have been in Canyon the past few days.

A rain Thursday amounted to .20 of an inch; another Sunday afternoon added .33 of an inch, and the third on Monday amounted to .18 of an inch.

Moisture for the month of April amounted to 1.38 inches in Canyon.

RANDALL DAIRYMEN ATTEND JERSEY SALE

County Agent W. H. Upchurch, in company with C. C. Stewart, H. R. Fulton, J. W. Watson and L. J. Fulton, left Wednesday morning to attend a disposal sale of registered Jerseys which is to be held at Enid, Okla., today. The party will return Friday.

The dairymen expect to buy some of the stock which will be offered for sale and will add them to their dairy herds.

FOR CLINT SMALL

The News does not hesitate for one moment to announce its support of the candidacy of Clint C. Small of Wellington, our state senator from this district, who announced Tuesday of last week for the office of governor of Texas.

The News wishes to state emphatically that at this moment it is for Clint Small above all of the dozen or more other candidates who have announced for this great office. But at the present time we are taking no decided stand against any of the others. We just naturally are for Clint Small, and will attempt to support him in an aggressive manner because he is a good man for the place. There are other good men in the race, men who will make a good governor, if elected. But Clint Small, according to our judgment, is decidedly the pick of the field.

The News stated several weeks ago that the people of Texas were not satisfied with the bunch of old politicians who had announced, and would welcome the entry of a new candidate—one who was free of the contaminating influences of previous state campaigns—a man who could come before the voters with a clean record, and clean hands, so far as state politics are concerned. James E. Ferguson announced not longer than two weeks ago that any man with "brains, money and guts" could step in and whip the whole dozen. Friends of Clint Small believe that he is the man for the job. He is not rushing into the campaign with blinded eyes. He has made a careful study of the situation for several weeks. His friends from all over the state have kept their ears to the ground, and noted the dissatisfaction with the present line-up, and urged that he get into the campaign.

Being a West Texan, he will naturally draw a very large percentage of the vote of West Texas. His opponents admit that. They concede that he will get the bulk of the votes in this section of the state, because the people of West Texas know Clint Small, and respect him, have confidence in him, and want to see him governor above anyone else in Texas. His great problem is to make himself sufficiently known in the other parts of Texas. However, he is better known outside of the Panhandle than most folks out here believe. The Small land bill, so vital to the interests of West Texas, in final analysis, affected every part of Texas. Texas is a potential oil field. Therefore, every section which does not have oil is as greatly interested in the rights of its citizens to hold the land they bought and paid for, as are the people of West Texas who were threatened by disposession for a bunch of Austin land grabbers, who would have taken away the title of citizens of this section to their holding of twenty-five or more years.

Clint Small has been exceptionally successful in politics. He has served Collingsworth county as county attorney, county judge, as mayor of Wellington, district judge, and now is state senator. He has never been defeated. He enjoys a political fight, and is ready to match wits and words with the keenest politicians in the state. He is an aggressive fighter. He goes after the things he wants in a determined manner. He is not in the race just for the fun of a campaign, but is in there to win, and he is going to put out every ounce to energy to win the campaign.

His opening announcement should appeal to the thoughtful voters of the state—a recess of politics, and the development of Texas. During the recent legislature an attempt was made to make a drive on the industries of Texas. No state has ever become prosperous without industries, no matter how prosperous its farmers may become. To penalize the industries is to drive them from the borders of the state. Clint Small proposes to build a balanced state: To keep down taxes on both the farmers and on the industries, in order that both may prosper.

Senator Small will make his first speech of the campaign in Amarillo Friday night. The auditorium should be packed to capacity. Canyon should contribute a large delegation to the big audience which will hear Clint Small in his first speech of the campaign.

A week ago many farmers were getting skeptical about the wheat, owing to the excessive heat and continued dry spring. With the rains of this week, conditions look better, and predictions are now that the wheat crop has not been injured, except in rare cases.

The fire in the Ohio penitentiary last week, in which 312 prisoners lost their lives, was a very regretable accident. Wherever people are herded together in large numbers, there is always danger of fire. If they are locked up, death is almost certain to follow. Even when they are not locked up, a fire of this proportion usually results in the loss of life. Prisons all over the nation are crowded to capacity. To care for those who insist upon violation of the laws is one of the greatest burdens that the people bear. Just how far shall a state go in providing all of the commodious quarters demanded today for its prisoners, increasing as rapidly in numbers as they are, is a big problem, which will be heard many times during the present campaign in Texas, as well as in other states. While thousands of law-abiding, honest, hard-working men and women are existing under the poorest of conditions, just how far shall the state go in the manner of caring for those who are the enemy of society. There is something to think about.

If you are not a member of the Chamber of Commerce, join the organization for the coming year, attend the meetings, and see just how much good you will derive. No Chamber of Commerce may be expected to revolutionize a town in a year. No big industries will ever be brought to Canyon; perhaps the population will not double overnight, but there is a need of a community spirit of co-operation which can be brought about only through the working of a Chamber of Commerce. Join, when the solicitors come around.

The census returns indicate the passing of the small towns of the middle west, and in the more populous sections of other states. There is nothing alarming about this. Towns were built every five or six miles, with a good town every 15 or 20 miles. With good roads and automobiles, it was to be taken for granted that sooner or later there must be a consolidation of towns. In Northwest Texas, where the towns are 20 to 30 miles apart, there is a real necessity for business centers, and all of these towns are growing and thriving.

The Panhandle Hardware and Implement Dealers refused to get excited about the chain store, judging from the discussion at the meeting in Amarillo recently. Hardware dealers are recognized as a class to be progressive, sound business men, not easily upset by innovations. They are usually progressive in so far as keeping up with the trend of the times. According to hardware dealers, the chain store has done only two things—eliminated the unfit, and made better merchants out of those who have watched and adopted the methods of the progressive chain stores. Perhaps merchants in other lines could follow the example of the hardware dealers.

WHAT IS GOOD

What is the real good?
I asked in musing mood.
Order, said the court;
Knowledge, said the school.
Truth, said the wise man;
Pleasure, said the fool;
Love, said the maiden;
Beauty, said the page;
Freedom, said the dreamer;
Home, said the sage;
Fame, said the soldier;
Equity, said the seer,
Spake my heart full sadly
The answer is not here.
Then within my bosom
Softly this I heard,
"Each heart holds the secret,
KINDNESS is the word."

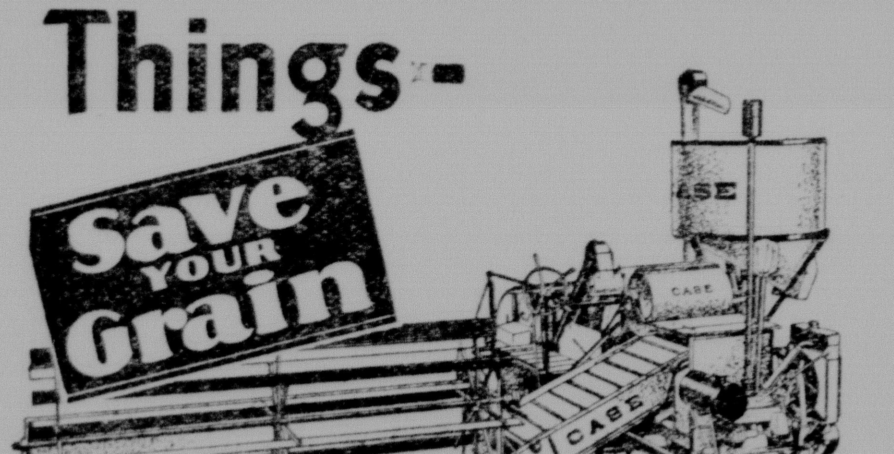
"Oh Promise Me"

At some time in her life Cupid pleads to every attractive woman. No matter what her features are, a woman who is sickly cannot be attractive. Sallow skin, pimples, sunken eyes, lifeless lips—these are repellent. DR. PIERCE'S GOLDEN MEDICAL DISCOVERY is just the tonic a rundown person needs. It enriches the blood, soothes the nerves and imparts tone and vivacity to the entire system.

In liquid or tablets, at drug store.

Send 10c for trial package of tablets to Dr. Pierce's Clinic, in Buffalo, N. Y., and write for free advice.

Above All Other Things-



THERE is one sure way to save your grain. . .to cut it clean to the last head . . .to thresh it better and faster. . .to separate and clean it more thoroughly. You can do all this with a Case Combine—because:

The header cuts its full width, without passing over grain in low spots or striking ridges when cutting low. Hinged to the combine by a universal joint in the main axle, it follows any unevenness in the field.

Large capacity steel cylinder sets a fast pace of threshing even in heavy straw. It is strong, unbreakable and accurately balanced. The teeth are scientifically spaced for greatest threshing efficiency.

Perforated concaves start the separation at once. Nearly 90% of the grain is removed from the traw in passing over the concaves and the spring steel finger grates. These are non-clogging in the toughest straw.

Two complete cleaning shoes, equipped with underblast fans, remove all chaff and dirt from the grain. Operator can observe the final cleaning from his position on the platform.

With a Case Combine you can reduce your cost of harvesting and make a greater profit for yourself. Come in and let us tell you more about it.

BUFFALOES WIN ALL TITLES IN TENNIS MEET

LANDERS AND EUBANKS BEAT TECH STARS IN THRILLING DOUBLES MATCHES IN THREE HARD-FOUGHT SETS.

The tennis division of the Tenth Annual Great Plains Track and Field Meet was strictly a West Texas-Tech affair all the way.

Landers and Eubanks of West Texas won the singles title and will stage the play-off next Tuesday. This same pair beat Tech out in the doubles.

Landers beat Henry of Tech, 6-3, 6-2, and Eubanks won from Emison of Tech, 6-2, 6-2, in the semi-finals.

In the finals of the doubles some of the greatest tennis ever seen in West Texas was played when Eubanks and Landers beat Dalton and Pilger of Tech, 6-3, 6-2, 6-4.

The Buffaloes have now won permanent possession of the beautiful doubles loving cup, having won first place in the event three times in the last seven years. The Buff teams under the coaching of W. E. Lockhart have never failed to be in the final matches and the play of the boys was a splendid tribute to their coach.

Both Eubanks and Landers played in seven matches together Saturday and each was ready to fight the other for the singles honor, but their coach said no, and the title will not be decided until this week.

The only thing to be said about the discovery by radio experts of an outer "Heaviside layer," which prevents our broadcasts from reaching Mars, is that the Martians don't know what they are missing.—Punch.

PHILLIPS TO DO TEACHING IN PEABODY

HEAD OF AGRICULTURE DEPARTMENT ACCEPTS POSITION AS TEACHER IN GRADUATE WORK AT PEABODY.

Mr. Frank R. Phillips, head of the agricultural department, will teach at George Peabody College for Teachers, Nashville, Tennessee, this summer while working on his doctor's degree.

Mr. Phillips will be a member of the faculty in the agricultural department for graduate students. He will teach "Small Fruit Growing," a course for vocational agricultural teachers, supervisors, and agricultural agents holding bachelor degrees. He will spend a portion of his time working on his doctorate.

Mr. Phillips and family will leave Canyon June 1st for Denton, where they will visit relatives and friends for a short time. In their journey from Denton to Nashville, they plan to drive through Arkansas where Mr. Phillips will visit some of the leading fruit growing regions. They will arrive in Nashville in time for Mr. Phillips to assume his teaching duties on June 9th.

Mr. Phillips will teach the first six weeks period and the remainder of the summer will be spent traveling. Points of interest in Virginia, Washington, D. C., New York, and Quebec will be visited by the Phillips.

Mr. Phillips will return to Canyon in time for the opening of the fall quarter.

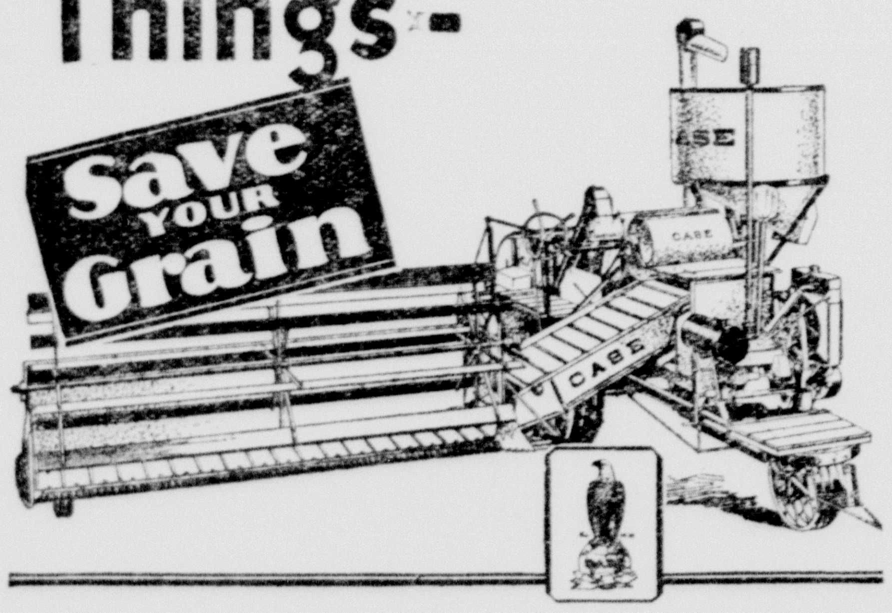
"Oh Promise Me"

At some time in her life Cupid pleads to every attractive woman. No matter what her features are, a woman who is sickly cannot be attractive. Sallow skin, pimples, sunken eyes, lifeless lips—these are repellent. DR. PIERCE'S GOLDEN MEDICAL DISCOVERY is just the tonic a rundown person needs. It enriches the blood, soothes the nerves and imparts tone and vivacity to the entire system. In liquid or tablets, at drug store.

Send 10c for trial package of tablets to Dr. Pierce's Clinic, in Buffalo, N. Y., and write for free advice.

Above All Other Things-



THERE is one sure way to save your grain. . .to cut it clean to the last head . . .to thresh it better and faster. . .to separate and clean it more thoroughly. You can do all this with a Case Combine—because:

The header cuts its full width, without passing over grain in low spots or striking ridges when cutting low. Hinged to the combine by a universal joint in the main axle, it follows any unevenness in the field.

Large capacity steel cylinder sets a fast pace of threshing even in heavy straw. It is strong, unbreakable and accurately balanced. The teeth are scientifically spaced for greatest threshing efficiency.

Perforated concaves start the separation at once. Nearly 90% of the grain is removed from the traw in passing over the concaves and the spring steel finger grates. These are non-clogging in the toughest straw.

Two complete cleaning shoes, equipped with underblast fans, remove all chaff and dirt from the grain. Operator can observe the final cleaning from his position on the platform.

With a Case Combine you can reduce your cost of harvesting and make a greater profit for yourself. Come in and let us tell you more about it.

To Identify *Genuine* Aspirin

The increasing use of Bayer Aspirin every year is proof that it has no ill effects. It is the accepted antidote for pain. It always helps; never harms; is safe to use freely as often as it is needed. Quick relief whenever you've a headache, or cold; or are suffering from neuralgia or neuritis. The distressing pains of rheumatism yield, too, if you'll only give these tablets a chance. But be sure to get genuine Aspirin. It has the Bayer Cross on every tablet. Look for the name Bayer on the box, and the word "genuine" printed in red. Proven directions inside.

BUFFALOES WIN ALL TITLES IN TENNIS MEET

LANDERS AND EUBANKS BEAT TECH STARS IN THRILLING DOUBLES MATCHES IN THREE HARD-FOUGHT SETS.

The tennis division of the Tenth Annual Great Plains Track and Field Meet was strictly a West Texas-Tech affair all the way.

Landers and Eubanks of West Texas won the singles title and will stage the play-off next Tuesday. This same pair beat Tech out in the doubles.

Landers beat Henry of Tech, 6-3, 6-2, and Eubanks won from Emison of Tech, 6-2, 6-2, in the semi-finals.

In the finals of the doubles some of the greatest tennis ever seen in West Texas was played when Eubanks and Landers beat Dalton and Pilger of Tech, 6-3, 6-2, 6-4.

The Buffaloes have now won permanent possession of the beautiful doubles loving cup, having won first place in the event three times in the last seven years. The Buff teams under the coaching of W. E. Lockhart have never failed to be in the final matches and the play of the boys was a splendid tribute to their coach.

Both Eubanks and Landers played in seven matches together Saturday and each was ready to fight the other for the singles honor, but their coach said no, and the title will not be decided until this week.

The only thing to be said about the discovery by radio experts of an outer "Heaviside layer," which prevents our broadcasts from reaching Mars, is that the Martians don't know what they are missing.—Punch.

PHILLIPS TO DO TEACHING IN PEABODY

HEAD OF AGRICULTURE DEPARTMENT ACCEPTS POSITION AS TEACHER IN GRADUATE WORK AT PEABODY.

Mr. Frank R. Phillips, head of the agricultural department, will teach at George Peabody College for Teachers, Nashville, Tennessee, this summer while working on his doctor's degree.

Mr. Phillips will be a member of the faculty in the agricultural department for graduate students. He will teach "Small Fruit Growing," a course for vocational agricultural teachers, supervisors, and agricultural agents holding bachelor degrees. He will spend a portion of his time working on his doctorate.

Mr. Phillips and family will leave Canyon June 1st for Denton, where they will visit relatives and friends for a short time. In their journey from Denton to Nashville, they plan to drive through Arkansas where Mr. Phillips will visit some of the leading fruit growing regions. They will arrive in Nashville in time for Mr. Phillips to assume his teaching duties on June 9th.

Mr. Phillips will teach the first six weeks period and the remainder of the summer will be spent traveling. Points of interest in Virginia, Washington, D. C., New York, and Quebec will be visited by the Phillips.

Mr. Phillips will return to Canyon in time for the opening of the fall quarter.

Advertising for a slogan, a company which manufactures soaps and perfumes got this: "If you don't use our soaps, for heaven's sake use our perfumes."—Tampa Times.

New Contributions Made Recently to P. P. H. S. Museum

The first flag ever flown over Hall county, a pair of antelope horns taken from an antelope used to furnish meat for the first barbecue in Lubbock county, and a copy of The Texan Press Leader for February 1, 1896 were recently donated to the Panhandle Plains Historical Museum.

The flag was made by Winfred Finch Quigley assisted by her two brothers Howard A. Finch and Orville H. Finch in 1892 on the Bar 96 ranch located on the Red River ten miles south of Memphis. The flag was flown over an arbor made for the purpose of sheltering picnickers at a July 4th picnic given on the ranch. About 100 people were present at the picnic. This was a large portion of Hall county at that time. The flag was donated to the museum by Howard A. Finch of Dalhart.

Mrs. W. Y. Freeman of Lubbock presented a pair of antelope horns from an antelope killed by Bud Woods for Lubbock county's first barbecue in July 1891. Mrs. Freeman also donated a copy of the Texan Press Leader of the issue of Feb. 1, 1896. This paper contains several interesting articles among them a poem written by Jack Wilburne of Borden county.

Sheffy Has Story In March Copy of Cattleman's Paper

"British Capital and the Cattle Business" is the title of an article written by L. F. Sheffy in the March issue of The Cattleman. The rise and development of the ranching business in Northwest Texas, and the vast sums invested in the Southwest by the British furnish interesting and important material for Mr. Sheffy's article.

According to the story, the establishment of the J. A. Ranch by Col. Charles Goodnight marked the beginning of the ranching business, which grew to immense proportions within a few years. Beef was high and in great demand, and the profits being made attracted capital to the Southwest. Hunters and sportsmen of England, who had been on hunting expeditions in the west, were among the first to note the ranching possibilities of the region. Reports of profits made on ranches reached England and caused many Englishmen to invest hundreds of thousands of dollars.

Mr. Sheffy continued his discussion by giving the ideal conditions in Northwest Texas for ranching. As a rule men stayed on the job and managed their business and made the ranches a paying business. In giving some ranch statistics, Mr. Sheffy named the XIT Ranch, the Laurel Leaf Ranch, the Bar C, the J. A. Ranch, the Rocking Chair Ranch, and the Spur Ranch as some of the larger ranches established.

According to Mr. Sheffy's article, an accurate estimate of British capital is impossible. Certainly it mounted into the hundreds of thousands of dollars. British capital was supplemented by money from the eastern states as retired manufacturers of New York, Boston, and Philadelphia invested money here for their sons. In conclusion, Mr. Sheffy says that the investment of foreign capital met with little or no opposition. People realized that money was essential, although they were prejudiced against the foreigners. They knew that to enable Texas to become something besides a desert, they needed capital.

Richardson and Holmes Will Tour Europe in Summer

Two more faculty members have added their names to the list of those planning to make trips abroad this summer. Miss Moss Richardson, of the English department, and Miss Cleo Holmes, of the Home Economics department, will make extensive trips through Europe.

Miss Richardson is planning her tour with the Browning Pilgrimage. They will leave New York City June 21. Dr. Armstrong of Baylor University will be the director of the party. After landing in Naples, Miss Richardson will spend the summer in Italy, Germany, Austria, Spain, France, and England. She will return to Montreal, Canada, September 8, and will then go to Ottawa, Canada, where she will visit with a sister until time for the fall term of school to open.

Miss Holmes is planning a trip with an aunt from Iowa. She will visit Ireland, England, Germany, Holland, Austria, Switzerland, Italy, France, and Belgium. She, as well as Miss Richardson, is planning to see the Passion Play. Miss Holmes will also be back for the fall term of school.

Perhaps that three-Power pact is better, after all. The five-Power arrangement appeared to be three speeds forward and two reverse.—Arkansas Gazette.

Clock Keeps Time For 113 Years; Now Shown in Museum

A clock which has been ticking away the hours for 113 years now stands in the Panhandle-Plains Historical Society Museum, marking the passage of the minutes for hundreds of visitors who see it.

A. G. Noble of Dimmitt deposited the clock in the museum, with the information that he had used it for 65 years, and that it had been used by his family for 48 years before.

The clock manufactured by E. N. Welch of Forrestville, Connecticut says "springs warranted not to fail." It was purchased in Richmond, Virginia, from whence it journeyed to Missouri, carefully wrapped in the folds of a feather bed. In 1910 it made a similar journey to Dimmitt, Texas.

Mr. Noble said, "I shall miss the clock almost as much as I would a member of the family." It will be kept wound and its striking will add an unusual touch to the museum atmosphere.

Business is brisk in Wall Street, and prices are rising. The splendid old public can always be relied upon to buy stocks just as soon as they cease to be bargains.—The New Yorker.

With unemployment what it is, we call it downright unpatriotic of those New York banks to merge and throw thousands of vice-presidents out of work.—Judge.

Tender, Choice Cuts of Meats

That are fresh daily. We don't run specials, but our prices are dependably low, and our meats are of dependably high quality.

N. B.—We have just bought 25 registered beeves from Mr. McGowan, and can supply you with plenty of extraordinary good meat.

An Enamel you can walk on..

S-W Floor Enamel

Modern science has brought you a new floor finish—S-W Floor Enamel; an enamel that withstands the grinding tread of countless feet and daily scrubbing. Dries with a rich, durable enamel luster that brings to floors a new colorful beauty heretofore possible only on furniture and woodwork. Transform soft wood, discolored hardwood and cement floors into happy spots of color with this new floor enamel. At the same time you will be protecting your floors from wear and decay. S-W Floor Enamel is but one of the many great values we offer Friday and Saturday. It pays to shop here.

Specify S-W Floor Enamel and engage a good painter

FRIDAY AND SATURDAY SUGGESTIONS

S-W Floor Enamel

A beautiful finish for wood and concrete floors. Dries with a rich, durable enamel luster. Also adapted for enameling linoleum. Just the thing for painting the recreation room in the basement.

S-W Porch and Deck Paint

Especially prepared to withstand outside exposure and hard wear on porch floors, steps, decks of boats, etc.

S-W Enameloid

The world's finest rapid-drying decorative enamel. Ideal for woodwork, furniture, toys, etc. Wide range of charming colors.

S-W Mar-Not

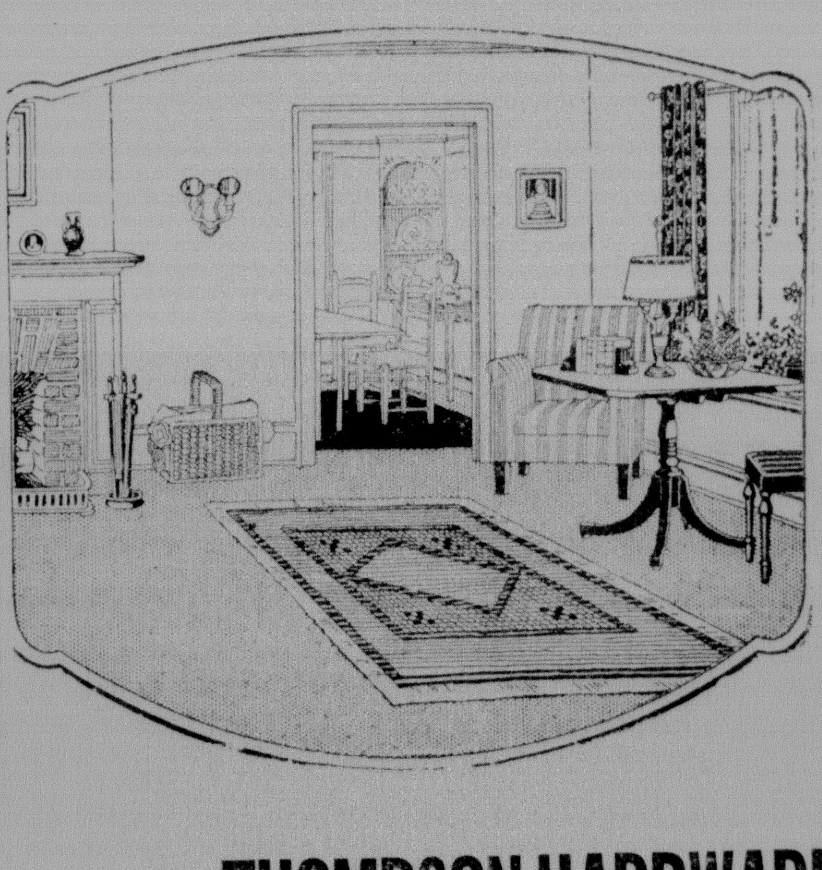
A water-resisting floor varnish made to withstand tramping heels. For oak, light maple, birch or linoleum.

S-W Flat-Tone

A washable flat wall paint for interior decorations. Produces beautiful velvet finish on plaster or wallboard.

S-W Semi-Lustre

An interior paint with the hard-drying and washable qualities of enamel. Dries with half-enamel gloss.



ENVIRONMENT IS EVERYTHING

Furnishings make the home. Soft Divans, comfortable chairs, an odd table or two—things of beauty and color.

When you need new furniture look for the best and latest designs, the best quality and best prices, and you will not be disappointed when you come to this store.

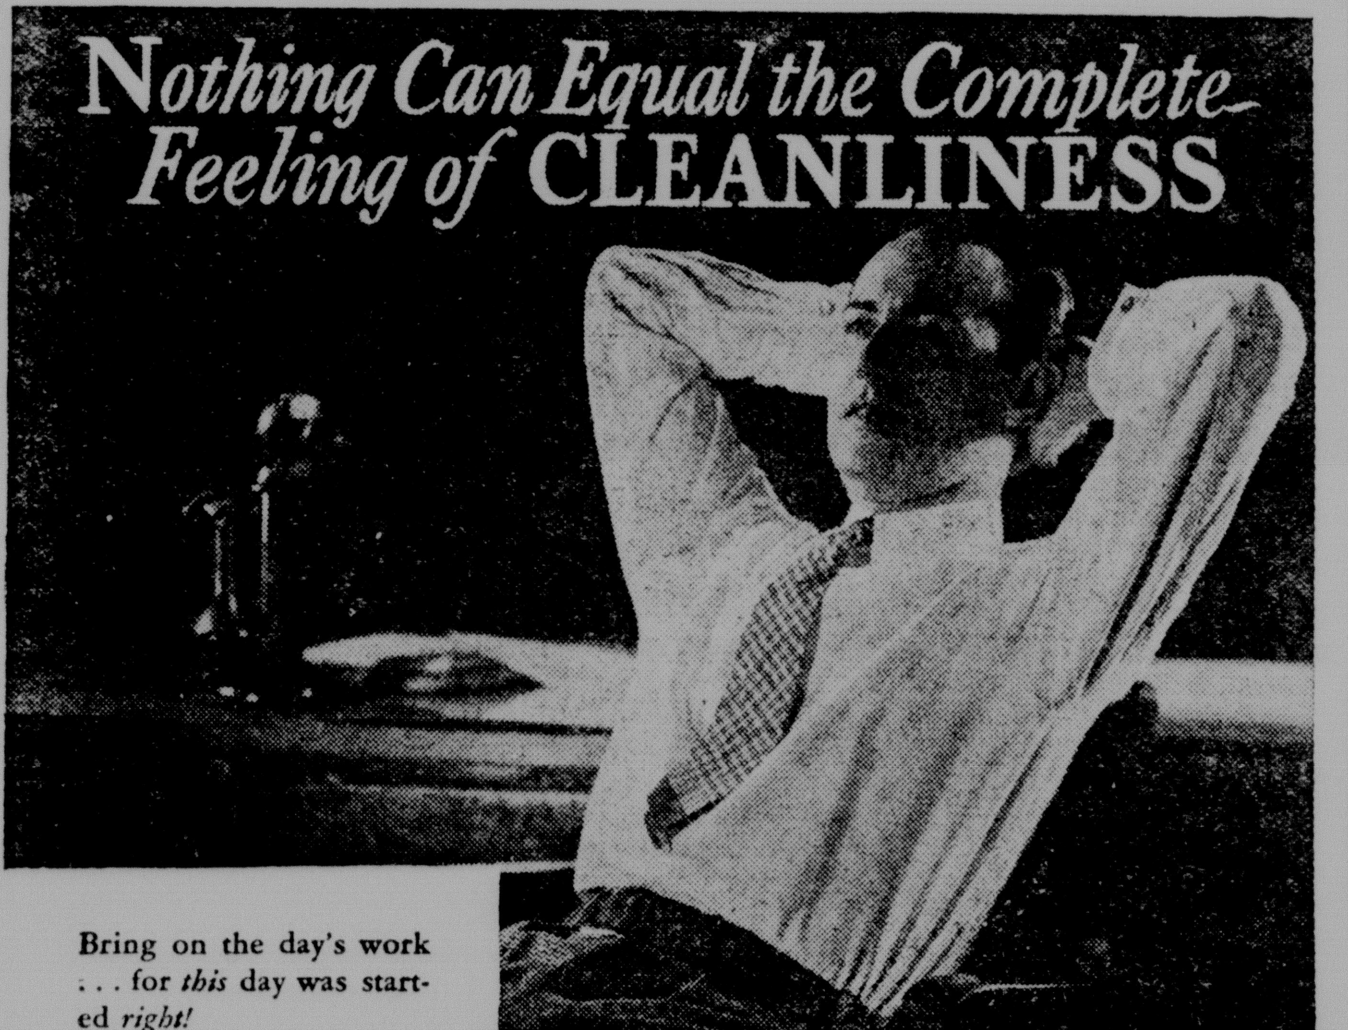
Nothing Can Equal the Complete Feeling of **CLEANLINESS**



Bring on the day's work . . . for *this* day was started *right!*

First, the musical splash of a fast-filling tub. Rising whisps of steam that envelope you in a warm and pleasant mist. Try the water; you'll find it just right. Then . . . the plunge . . . plenty of lather . . . and more clean hot water before you reach for a towel.

The shave, too! How easy! Hot water to reduce your beard to quick submission and no skin roughness after.

Then crisply clean clothes, newly laundered, and no wonder you're *ready!*

This is the daily picture in homes that have modern hot water service—gas-heated water supplied at air-plane speed by RUUD-AUTOHOT that works by its own automatic control to answer every hot water call.

Crisply-Clean Clothes; Clean, Refreshed Bodies—with Gas-Heated Water!

Why not start another day right—today or tomorrow? Come first to the Cleanliness Store. See the new RUUD-AUTO-HOT models at work; ask about our special sale inducements.

New Contributions Made Recently to P. P. H. S. Museum

The first flag ever flown over Hall county, a pair of antelope horns taken from an antelope used to furnish meat for the first barbecue in Lubbock county, and a copy of The Texan Press Leader for February 1, 1896 were recently donated to the Panhandle Plains Historical Museum.

The flag was made by Winfred Finch Quigley assisted by her two brothers Howard A. Finch and Orville H. Finch in 1892 on the Bar 96 ranch located on the Red River ten miles south of Memphis. The flag was flown over an arbor made for the purpose of sheltering picnickers at a July 4th picnic given on the ranch. About 100 people were present at the picnic. This was a large portion of Hall county at that time. The flag was donated to the museum by Howard A. Finch of Dalhart.

Mrs. W. Y. Freeman of Lubbock presented a pair of antelope horns from an antelope killed by Bud Woods for Lubbock county's first barbecue in July 1891. Mrs. Freeman also donated a copy of the Texan Press Leader of the issue of Feb. 1, 1896. This paper contains several interesting articles among them a poem written by Jack Wilburne of Borden county.

Sheffy Has Story In March Copy of Cattleman's Paper

"British Capital and the Cattle Business" is the title of an article written by L. F. Sheffy in the March issue of The Cattleman. The rise and development of the ranching business in Northwest Texas, and the vast sums invested in the Southwest by the British furnish interesting and important material for Mr. Sheffy's article.

According to the story, the establishment of the J. A. Ranch by Col. Charles Goodnight marked the beginning of the ranching business, which grew to immense proportions within a few years. Beef was high and in great demand, and the profits being made attracted capital to the Southwest. Hunters and sportsmen of England, who had been on hunting expeditions in the west, were among the first to note the ranching possibilities of the region. Reports of profits made on ranches reached England and caused many Englishmen to invest hundreds of thousands of dollars.

Mr. Sheffy continued his discussion by giving the ideal conditions in Northwest Texas for ranching. As a rule men stayed on the job and managed their business and made the ranches a paying business. In giving some ranch statistics, Mr. Sheffy named the XIT Ranch, the Laurel Leaf Ranch, the Bar C, the J. A. Ranch, the Rocking Chair Ranch, and the Spur Ranch as some of the larger ranches established.

According to Mr. Sheffy's article, an accurate estimate of British capital is impossible. Certainly it mounted into the hundreds of thousands of dollars. British capital was supplemented by money from the eastern states as retired manufacturers of New York, Boston, and Philadelphia invested money here for their sons. In conclusion, Mr. Sheffy says that the investment of foreign capital met with little or no opposition. People realized that money was essential, although they were prejudiced against the foreigners. They knew that to enable Texas to become something besides a desert, they needed capital.

Richardson and Holmes Will Tour Europe in Summer

Two more faculty members have added their names to the list of those planning to make trips abroad this summer. Miss Moss Richardson, of the English department, and Miss Cleo Holmes, of the Home Economics department, will make extensive trips through Europe.

Miss Richardson is planning her tour with the Browning Pilgrimage. They will leave New York City June 21. Dr. Armstrong of Baylor University will be the director of the party. After landing in Naples, Miss Richardson will spend the summer in Italy, Germany, Austria, Spain, France, and England. She will return to Montreal, Canada, September 8, and will then go to Ottawa, Canada, where she will visit with a sister until time for the fall term of school to open.

Miss Holmes is planning a trip with an aunt from Iowa. She will visit Ireland, England, Germany, Holland, Austria, Switzerland, Italy, France, and Belgium. She, as well as Miss Richardson, is planning to see the Passion Play. Miss Holmes will also be back for the fall term of school.

Perhaps that three-Power pact is better, after all. The five-Power arrangement appeared to be three speeds forward and two reverse.—Arkansas Gazette.

Clock Keeps Time For 113 Years; Now Shown in Museum

A clock which has been ticking away the hours for 113 years now stands in the Panhandle-Plains Historical Society Museum, marking the passage of the minutes for hundreds of visitors who see it.

A. G. Noble of Dimmitt deposited the clock in the museum, with the information that he had used it for 65 years, and that it had been used by his family for 48 years before.

The clock manufactured by E. N. Welch of Forrestville, Connecticut says "springs warranted not to fail." It was purchased in Richmond, Virginia, from whence it journeyed to Missouri, carefully wrapped in the folds of a feather bed. In 1910 it made a similar journey to Dimmitt, Texas.

Mr. Noble said, "I shall miss the clock almost as much as I would a member of the family." It will be kept wound and its striking will add an unusual touch to the museum atmosphere.

Business is brisk in Wall Street, and prices are rising. The splendid old public can always be relied upon to buy stocks just as soon as they cease to be bargains.—The New Yorker.

With unemployment what it is, we call it downright unpatriotic of those New York banks to merge and throw thousands of vice-presidents out of work.—Judge.

Tender, Choice Cuts of Meats

That are fresh daily. We don't run specials, but our prices are dependably low, and our meats are of dependably high quality.

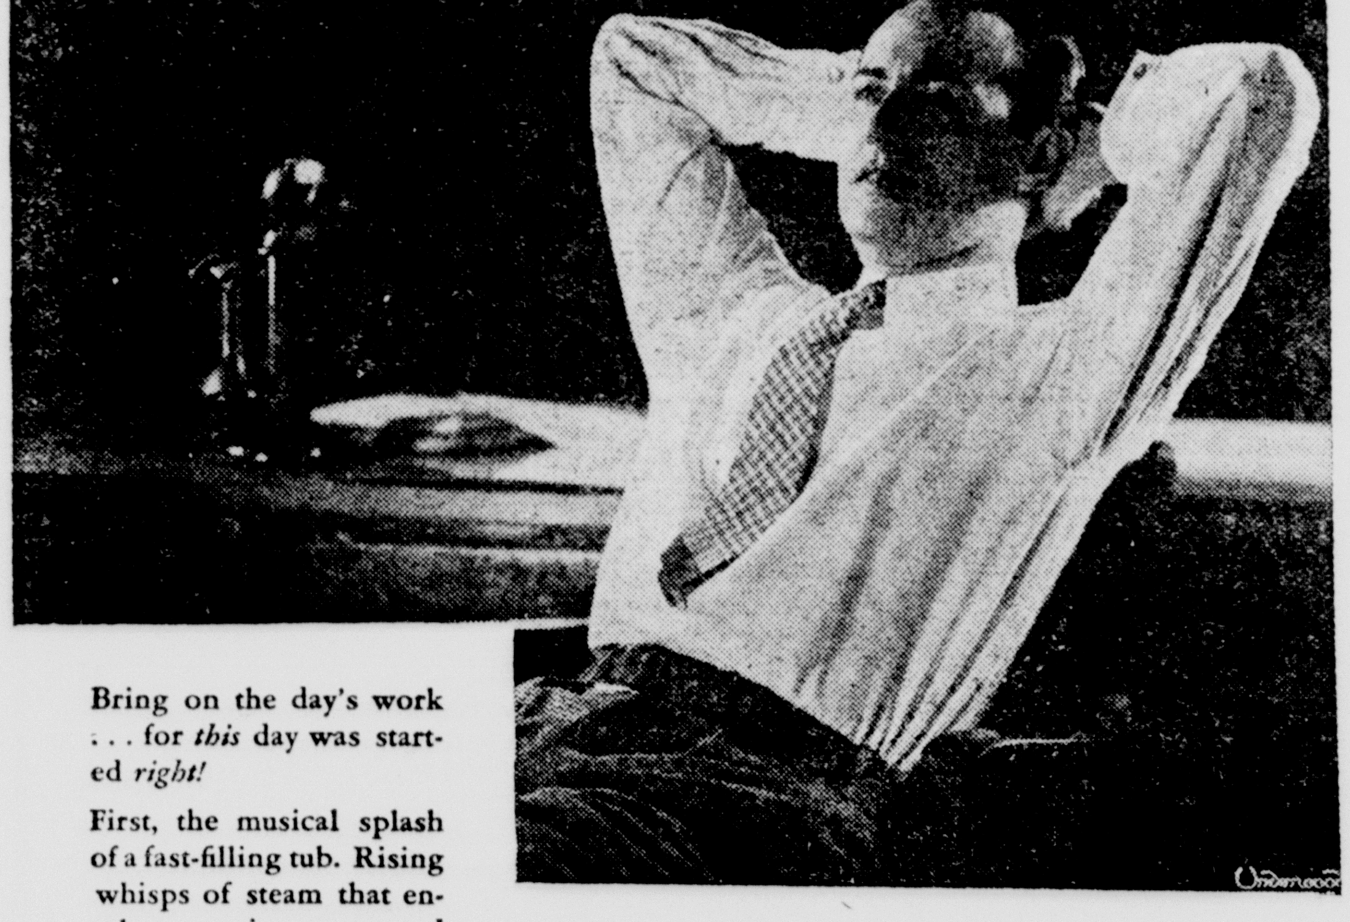
Nothing Can Equal the Complete Feeling of CLEANLINESS



Bring on the day's work . . . for *this* day was started *right!*

First, the musical splash of a fast-filling tub. Rising whisps of steam that envelope you in a warm and pleasant mist. Try the water; you'll find it just right. Then . . . the plunge . . . plenty of lather . . . and more clean hot water before you reach for a towel.

The shave, too! How easy! Hot water to reduce your beard to quick submission and no skin roughness after.

Then crisply clean clothes, newly laundered, and no wonder you're *ready!*

This is the daily picture in homes that have modern hot water service—gas-heated water supplied at air-plane speed by RUUD-AUTOHOT that works by its own automatic control to answer every hot water call.

Crisply-Clean Clothes; Clean, Refreshed Bodies—with Gas-Heated Water!

Why not start another day right—today or tomorrow? Come first to the Cleanliness Store. See the new RUUD-AUTOHOT models at work; ask about our special sale inducements.

W.T.S.T.C. Couple Wedded at Clovis Sunday, April 20

Coming as a surprise to their campus friends was the recent marriage of Miss Genevieve Reece to Mr. Floyd Hemphill, both W. T. students. The wedding was solemnized in Clovis, N. M., Easter Sunday, with Miss Alene Bennett of Amarillo and Mr. Weldon Rogers, a W. T. student, as the only guests.

The bride is the daughter of Mr. and Mrs. Milton Reece of Amarillo and has been in Canyon since her graduation from Amarillo high school last spring. She has been connected with the Art club work and the Elapheian Literary society.

Mr. Hemphill came to Canyon from his home in Littlefield, where his parents, Mr. and Mrs. A. G. Hemphill, reside. He is classified as a Junior, having done some work in Texas Tech at Lubbock. Since the fall term he has been an issue editor of the Prairie, and also an Antler.

Mr. and Mrs. Hemphill will spend a few weeks in Amarillo, and from there they will go to Lubbock where they will probably make their home.

CLUB IS ENTERTAINED AT BLACK HOME FRIDAY

Mrs. W. C. Black and Mrs. Marion Bishir were charming hostesses when they entertained the members of the Friday Afternoon bridge club and their husbands with a dinner-bridge at the home of the former, Friday evening. A profusion of fragrant spring flowers graced the entertaining suite, where seven tables were arranged for the guests.

A delectable two-course dinner was served to the following guests: Mr. and Mrs. D. A. Shirley, Mr. and Mrs. Travis Shaw, Mr. and Mrs. Joe Gamble, Dr. and Mrs. S. L. Ingham, Mr. and Mrs. J. S. Humphreys, Mr. and Mrs. Irby Carruth, Mr. and Mrs. Ray Campbell, Mr. and Mrs. Oscar Gamble, Mr. and Mrs. Guy Harp, Mr. and Mrs. J. Wesley Kleinschmidt, Mr. and Mrs. C. L. Thompson, Mr. and Mrs. Clyde W. Warwick, Mr. and Mrs. Dan Sanders, and Mr. Black and Mr. Bishir.

GAVE ANNIVERSARY DINNER PARTY

Tuesday was the twenty-seventh wedding anniversary of Mr. and Mrs. C. R. Burrow. Mr. Burrow gave a surprise dinner party yesterday honoring Mrs. Burrow. Those present were Messrs. and Mesdames Burrow, S. L. Ingham, O. N. Gamble, J. B. Gamble, L. F. Sheffy, Grady Oldham, Clyde W. Warwick, D. A. Shirley, and Miss Cleo Holmes.

Announcement Party Given for Canyon Girl at Canadian

A delightful social event that is of interest to many Canyon people, was the bridge and "42" party given at the home of Mrs. Oscar Studer of Canadian, Monday evening, at which time the coming marriage of Miss Vida Savage of Canyon to R. William Brown of Canadian was announced.

Hostesses were Misses Aileen and Beth Powell, and members of the L. C. D. bridge club and a number of special guests were present for the afternoon. Decorations of yellow roses were used in the entertaining suite, while the table accessories followed the cowboy motif indicative of Mr. Brown's occupation. Delicious refreshments of white cakes and ice cream, each topped by miniature pastry horseshoes, were served at the conclusion of the play.

Following refreshments, Elizabeth Ann Studer, dressed in cap and apron, called in Carlton Studer, attired in cowboy regalia, who bore a letter for each of the guests. The beginning of a short story was read, then the guests were requested to open their letters, which contained the end of the story, the announcement of the engagement of Miss Savage and Mr. Brown.

Club members and special guests present included: Miss Savage, the honoree, and her mother, Mrs. F. E. Savage of Canyon; Mrs. Carl Studer, Mrs. P. E. Carroll, Mrs. R. S. Millard, Mrs. J. F. Brown, Mrs. Jep Tudd, Mrs. Lila H. Dean, Mrs. Robert Fry, Mrs. H. H. Marks, Mrs. Thomas Jones, Mrs. John Spiller, Mrs. Preston Hutton, Mrs. W. L. Austen, Mrs. M. L. Buckley, Mrs. Oscar Studer, Miss Marie Miller, Miss Myra Millard, Miss Cleda Millard, Miss Myrtice Humphrey, Miss Sarah Shaw, Miss Theresa Shaw, Miss Mary Owen, Miss Nuta Turner, and Miss Lola Studer.

Miss Savage has been reared and educated in Canyon and is well known here. She is teaching in the public schools in Canadian.

MRS. CLAUDE MOORE READS PAPER AT CLUB MEETING

Members of the Junior Woman's Book club met in regular session in the Federated Club rooms Monday afternoon. Mrs. Claude Moore gave an interesting and well prepared paper on the subject, "Keeping House for the Shepherds of the Mountains."

The program committee, with the asssistance of Miss Darthula Walker, have selected "The Main Street of America" as the study topic for next year's programs.

MR. STRATTON CELEBRATES BIRTHDAY ANNIVERSARY

Mrs. Charles Stratton entertained Sunday noon with a bountiful dinner celebrating the birthday anniversary of Mr. Stratton. A delectable repast was served by the hostess.

Those present included: Mr. and Mrs. J. W. McCrerey and daughters, Mr. and Mrs. John Harris, Misses Ruth and Marvelle Harris, and Miss Cunningham.

MRS. MOORE IS HOSTESS TO AS YOU LIKE IT THURSDAY

Members of the As You Like It club met at the home of Mrs. T. M. Moore, Thursday afternoon, where they were delightfully entertained with bridge. Early summer flowers were used as decorations in the entertaining rooms, and added to the attractiveness of the setting. A red and white color scheme was carried out in the table accessories, and the delicious refreshment course served at the conclusion of the play.

Those present included: Mrs. N. E. McIntire, Mrs. Clyde McElroy, Mrs. F. E. Savage, Mrs. Dan K. Usery, Mrs. J. Wesley Kleinschmidt, Mrs. Travis Shaw, Mrs. J. L. Duflot, Mrs. John Fry, Mrs. L. Angel, Mrs. R. A. Terrill, Mrs. Marion Bishir, Mrs. Sue Donnell, Mrs. L. F. Sheffy, Miss Jennie C. Ritchey, Miss Nora McCarty, and Mrs. Annie V. McCarty.

MRS. DICKERSON IS HOSTESS TO LOYAL DOZEN

Mrs. N. T. Dickerson delightfully entertained the members of the Loyal Dozen Needle club and several special guests at her home Friday afternoon.

The event of the afternoon was a surprise miscellaneous birthday anniversary shower given Mrs. J. Prichard. Pleasant hours were spent in doing needle work, and in chatting.

Refreshments of sandwiches, potato chips, cake and punch were served to the following: Mrs. Clifton Duke, Mrs. Bill Simmons, Mrs. J. Prichard, Mrs. Victor Steen, Mrs. John Gazaway, Mrs. Harry Inman, Mrs. Irene Becket, Mrs. Ed Phillips, Mrs. C. C. Morton, Mrs. J. L. Hefner, and Miss Treva Hefner.

The club meets Friday, May 2, with Mrs. Clifton Duke as hostess.

BAPTIST CIRCLES HOLD JOINT MEETING TUESDAY

Members of all four circles of the Baptist Missionary society met in a joint business and social meeting at the home of Mrs. Charles Stratton on Eighth avenue, Tuesday afternoon, from 3 until 5 o'clock.

Following the business session, Rev. John Rowan of Abilene, who is conducting a revival at the Baptist church, spoke to the ladies for a short while. Mrs. B. F. Fronabarger led the devotional. The lesson subject for the day was "Eighty-five Years of Baptist Missions."

Refreshments of tea and wafers were served by the hostess at the conclusion of the program.

MRS. CONDRON, MRS. MURRAY ENTERTAIN WITH TWO AFFAIRS

Mrs. S. H. Condron and Mrs. C. A. Murray entertained with two delightful affairs last Thursday, in the afternoon and again in the evening, at the Murray home, 1902 Sixth avenue.

Early roses, other cut flowers and pot plants added an attractive note to the setting on both occasions. Bridge and "42" were enjoyed in the afternoon, and again in the evening. Delectable refreshments were served by the hostesses.

Mrs. Robert Dillard of Amarillo, a niece of Mr. Condron, was a special guest at each of the entertainments.

MISS NELL THOMAS HONORS GUEST WITH PARTY THURSDAY

Miss Nell Thomas entertained a number of friends Thursday evening at her home one mile east of the city. The affair was in honor of her house guest, Miss Johnnie Thomas of Goodnight.

The evening hours were pleasantly spent in games and in boat riding. A delectable ice course was served at the refreshment hour.

Those present included: Miss Lucy Schmitz, Miss Hazel Wineinger, Miss Eudell Sherol, Miss Elville Bagley, and Raymond Schmitz, Charles and Donald Wineinger, Ed Williams and Jesse Thomas.

MRS. INGHAM AND MRS. BROWN PRESENT PROGRAM

The Women's Book club met on Wednesday afternoon in the Federated club room and enjoyed a most entertaining discussion on the Music of Texas.

Mrs. S. L. Ingham and Mrs. H. A. Brown had charge of the program and developed interesting lectures, with the aid of records, on the folk songs, cowboy songs, and spirituals of the Lone Star state.

W. M. S. TO MEET WITH MRS. JAMESON TUESDAY

The Methodist Women's Missionary society will meet Tuesday afternoon, May 6, at 3 o'clock, with Mrs. C. E. Jameson as hostess. This will be a social meeting, and plans have been made for a special Mother's Day program. Mrs. Marian Witt will have charge of the devotional.

BLUE BONNET WILL MEET THURSDAY AFTERNOON

The Blue Bonnet Needle club did not meet with Mrs. Levi Cole last Thursday afternoon as announced, but will meet Thursday, May 1, with Mrs. Cole as hostess.

MISS McFARLAND AND MISS RUSSELL ENTERTAIN

Miss Katy McFarland and Miss Ruth Russell entertained the members of the C. H. S. faculty at the L. G. Allen home Wednesday evening of last week. Bridge was the chosen diverson ofi the evening. A color scheme of purple and white, the school colors, was carried out with flowers in the entertaining rooms, and was repeated in the delectable refreshments at the conclusion of the games.

Guests for this enjoyable affair included: Miss Hazel Allen, Miss Alice Dawes, Miss Lillian Donnell, Miss Marguerite Dickenson, Miss Mattie Jordan, Miss Stella Rusk, Miss Grace Clark, Miss Elizabeth Weter, Miss Rosalind Hammond, Miss Adaline Strain, Miss Jewel Foster, Mr. and Mrs. I. B. Carruth, Mr. and Mrs. T. H. McDonald, and Jake Spann.

Davis is Making Post Card Views of Palo Duro

Ray V. Davis, who was greatly instrumental in bringing national recognition to the Carlsbad Cavern at Carlsbad, N. M., will attempt to do the same for the Palo Duro Canyons in this section. It was Mr. Davis who first interested the National Geographic Magazine in the cavern, which in turn brought national publicity. Mr. Davis was the first man to make pictures inside the cavern, and most of the pictures used in connection with advertising the cavern were made by him.

For several weeks he has been visiting the various beauty spots of the canyons in Randall county, and has made scores of pictures of the most beautiful views. On a number of those which he has considered above the average he has secured a copyright.

Mr. Davis is now offering to the public numerous views of the canyons in postcard size. Also he is selling several beautiful scenes in the canyons which are finished in oil colors.

Yet, despite the ability to turn out beautiful work from the hands of such a craftsman as Mr. Davis, the work of a camera falls far short of doing justice to such majestic scenes as those to be found so near at hand.

Those who have been accustomed to feast upon the beauties of the canyons in this section during all the years have no doubt become accustomed to the natural beauty and do not feel the thrill that goes with a sight of the canyons for one viewing them the first time.

The majestic beauty of God's great outdoors cannot be described with words; the brush of a skilled artist fails; only the human eye can grasp the vision of beauty that lies everywhere in colorful Palo Duro Canyon.

It is only while viewing, from a high, towering rim of the canyon, the richness of color and beauty prevalent everywhere can one realize the smallness and insignificance of man in comparison with the wonderful handiwork of nature.

The Palo Duro Canyons hold a vast fund of rich colors that are rarely found in other such places.

Mr. Davis was quick to realize the possibilities of the Palo Duro Canyons and he has joined his efforts with those of the Palo Duro Park association in an attempt to secure funds to make the canyons into a state park. Mr. Davis firmly believes that the canyons hold the same possibilities as those of any nationally known beauty spot in the west. They need only roads and the proper advertising to make them such.

The Lighthouse Canyons, which offer the most gorgeous scenes of all, are at this time closed to the public. However, there are numerous other places of beauty along the canyons that are open to the public, including the Fred Marshall ranch, the Harding ranch, and others.

The beauties of the canyons are well known to residents in this section, but little is known of the canyons away from here. It will take only proper advertising and roads built through them to make them become as nationally known scenic spots of America. The beauty is "in them thar canyons."

Miss Donna Lee Stroupe spent the week end in Pampa with friends.

Boy Scouts Aid C of C in Census Canvas of City

A thorough canvass of the town is being made by the Boy Scouts for the Chamber of Commerce in an effort to locate any and all who have not been enumerated in the present census.

The work was begun Tuesday afternoon and will be continued until it is completed. Twenty Scouts under the direction of J. W. Kleinschmidt, president of the Chamber of Commerce, and Scoutmaster C. W. West are doing the work for the Chamber of Commerce.

Get yourself counted in the 1930 census.

Don't fail to make sure that your name has been included in this count of Canyon's population for 1930. Even if you think that you have been counted, but are not sure about it, please see that your name is on the list. You may call the News office or the census enumerator, Mrs. C. R. Flesher, and an effort will be made to see that no one is missed in the count.

Remember to do it at once. Only a few days are left. This is the last time you will have to be included in the census for 10 years.

An honest effort has been made by Mrs. Flesher to include every resident of Canyon in the count, and there is no doubt that this count will be the most complete of any ever taken here. We want no one left out.

In some instances Mrs. Flesher has made numerous calls in trying to find someone at home. She wants to include everyone.

As a final appeal, do not fail to call either the News or Mrs. Flesher and an effort will be made to include you in the count if you have not already been enumerated.

Buffs in Final Meet of Year at Roswell Saturday

Coach Sam Burton and his squad of thin clads will make a trip to Roswell this week end for a dual track meet with the New Mexico Military Institute Cadets. At the Great Plains meet held here last Friday and Saturday, the Cadets took third place.

In the 220-yard dash, McCommis of the Cadets set a new record for the Great Plains meet by making it in 21.8 seconds. He also placed first in the broad jump.

The meet Saturday will be the final one this season for the Buffaloes.

Coach Burton stated yesterday morning that he would probably take Miller to the T. I. A. A. meet, which will be held next week. Miller was the only man on the Buffalo squad to place first in the Great Plains track meet. He threw the discus 127 feet to set a new mark for the meet by three feet over the old record.

The tennis team of West Texas may also go to the T. I. A. A. meet. The team, composed of Landers and Eubanks, won an easy victory over the Tech team, to become the permanent possessors of the tennis loving cup of the meet.

Mr. and Mrs. O. L. Preen and family, of Davenport, Iowa, were guests in the Peter Myers home here Tuesday. Mr. and Mrs. Preen are pioneer residents of this section of the country, as they lived west of Happy some 19 years ago.

Mrs. A. K. McBride attended the meeting of the Rebekah association at Pampa Tuesday and Wednesday.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. City Pharmacy.

Announcement Party Given for Canyon Girl at Canadian

A delightful social event that is of interest to many Canyon people, was the bridge and "42" party given at the home of Mrs. Oscar Studer of Canadian, Monday evening, at which time the coming marriage of Miss Vida Savage of Canyon to R. William Brown of Canadian was announced.

Hostesses were Misses Aileen and Beth Powell, and members of the L. C. D. bridge club and a number of special guests were present for the afternoon. Decorations of yellow roses were used in the entertaining suite, while the table accessories followed the cowboy motif indicative of Mr. Brown's occupation. Delicious refreshments of white cakes and ice cream, each topped by miniature pastry horseshoes, were served at the conclusion of the play.

Following refreshments, Elizabeth Ann Studer, dressed in cap and apron, called in Carlton Studer, attired in cowboy regalia, who bore a letter for each of the guests. The beginning of a short story was read, then the guests were requested to open their letters, which contained the end of the story, the announcement of the engagement of Miss Savage and Mr. Brown.

Club members and special guests present included: Miss Savage, the honoree, and her mother, Mrs. F. E. Savage of Canyon; Mrs. Carl Studer, Mrs. P. E. Carroll, Mrs. R. S. Millard, Mrs. J. F. Brown, Mrs. Jep Tudd, Mrs. Lila H. Dean, Mrs. Robert Fry, Mrs. H. H. Marks, Mrs. Thomas Jones, Mrs. John Spiller, Mrs. Preston Hutton, Mrs. W. L. Austen, Mrs. M. L. Buckley, Mrs. Oscar Studer, Miss Marie Miller, Miss Myra Millard, Miss Cleda Millard, Miss Myrtice Humphrey, Miss Sarah Shaw, Miss Theresa Shaw, Miss Mary Owen, Miss Nuta Turner, and Miss Lola Studer.

Miss Savage has been reared and educated in Canyon and is well known here. She is teaching in the public schools in Canadian.

MRS. CLAUDE MOORE READS PAPER AT CLUB MEETING

Members of the Junior Woman's Book club met in regular session in the Federated Club rooms Monday afternoon. Mrs. Claude Moore gave an interesting and well prepared paper on the subject, "Keeping House for the Shepherds of the Mountains."

The program committee, with the asssistance of Miss Darthula Walker, have selected "The Main Street of America" as the study topic for next year's programs.

MR. STRATTON CELEBRATES BIRTHDAY ANNIVERSARY

Mrs. Charles Stratton entertained Sunday noon with a bountiful dinner celebrating the birthday anniversary of Mr. Stratton. A delectable repast was served by the hostess.

Those present included: Mr. and Mrs. J. W. McCrerey and daughters, Mr. and Mrs. John Harris, Misses Ruth and Marvelle Harris, and Miss Cunningham.

MRS. MOORE IS HOSTESS TO AS YOU LIKE IT THURSDAY

Members of the As You Like It club met at the home of Mrs. T. M. Moore, Thursday afternoon, where they were delightfully entertained with bridge. Early summer flowers were used as decorations in the entertaining rooms, and added to the attractiveness of the setting. A red and white color scheme was carried out in the table accessories, and the delicious refreshment course served at the conclusion of the play.

Those present included: Mrs. N. E. McIntire, Mrs. Clyde McElroy, Mrs. F. E. Savage, Mrs. Dan K. Usery, Mrs. J. Wesley Kleinschmidt, Mrs. Travis Shaw, Mrs. J. L. Duflot, Mrs. John Fry, Mrs. L. Angel, Mrs. R. A. Terrill, Mrs. Marion Bishir, Mrs. Sue Donnell, Mrs. L. F. Sheffy, Miss Jennie C. Ritchey, Miss Nora McCarty, and Mrs. Annie V. McCarty.

MRS. DICKERSON IS HOSTESS TO LOYAL DOZEN

Mrs. N. T. Dickerson delightfully entertained the members of the Loyal Dozen Needle club and several special guests at her home Friday afternoon.

The event of the afternoon was a surprise miscellaneous birthday anniversary shower given Mrs. J. Prichard. Pleasant hours were spent in doing needle work, and in chatting.

Refreshments of sandwiches, potato chips, cake and punch were served to the following: Mrs. Clifton Duke, Mrs. Bill Simmons, Mrs. J. Prichard, Mrs. Victor Steen, Mrs. John Gazaway, Mrs. Harry Inman, Mrs. Irene Becket, Mrs. Ed Phillips, Mrs. C. C. Morton, Mrs. J. L. Hefner, and Miss Treva Hefner.

The club meets Friday, May 2, with Mrs. Clifton Duke as hostess.

BAPTIST CIRCLES HOLD JOINT MEETING TUESDAY

Members of all four circles of the Baptist Missionary society met in a joint business and social meeting at the home of Mrs. Charles Stratton on Eighth avenue, Tuesday afternoon, from 3 until 5 o'clock.

Following the business session, Rev. John Rowan of Abilene, who is conducting a revival at the Baptist church, spoke to the ladies for a short while. Mrs. B. F. Fronabarger led the devotional. The lesson subject for the day was "Eighty-five Years of Baptist Missions."

Refreshments of tea and wafers were served by the hostess at the conclusion of the program.

MRS. CONDRON, MRS. MURRAY ENTERTAIN WITH TWO AFFAIRS

Mrs. S. H. Condron and Mrs. C. A. Murray entertained with two delightful affairs last Thursday, in the afternoon and again in the evening, at the Murray home, 1902 Sixth avenue.

Early roses, other cut flowers and pot plants added an attractive note to the setting on both occasions. Bridge and "42" were enjoyed in the afternoon, and again in the evening. Delectable refreshments were served by the hostesses.

Mrs. Robert Dillard of Amarillo, a niece of Mr. Condron, was a special guest at each of the entertainments.

MISS NELL THOMAS HONORS GUEST WITH PARTY THURSDAY

Miss Nell Thomas entertained a number of friends Thursday evening at her home one mile east of the city. The affair was in honor of her house guest, Miss Johnnie Thomas of Goodnight.

The evening hours were pleasantly spent in games and in boat riding. A delectable ice course was served at the refreshment hour.

Those present included: Miss Lucy Schmitz, Miss Hazel Wineinger, Miss Eudell Sherol, Miss Elville Bagley, and Raymond Schmitz, Charles and Donald Wineinger, Ed Williams and Jesse Thomas.

MRS. INGHAM AND MRS. BROWN PRESENT PROGRAM

The Women's Book club met on Wednesday afternoon in the Federated club room and enjoyed a most entertaining discussion on the Music of Texas.

Mrs. S. L. Ingham and Mrs. H. A. Brown had charge of the program and developed interesting lectures, with the aid of records, on the folk songs, cowboy songs, and spirituals of the Lone Star state.

W. M. S. TO MEET WITH MRS. JAMESON TUESDAY

The Methodist Women's Missionary society will meet Tuesday afternoon, May 6, at 3 o'clock, with Mrs. C. E. Jameson as hostess. This will be a social meeting, and plans have been made for a special Mother's Day program. Mrs. Marian Witt will have charge of the devotional.

BLUE BONNET WILL MEET THURSDAY AFTERNOON

The Blue Bonnet Needle club did not meet with Mrs. Levi Cole last Thursday afternoon as announced, but will meet Thursday, May 1, with Mrs. Cole as hostess.

MISS McFARLAND AND MISS RUSSELL ENTERTAIN

Miss Katy McFarland and Miss Ruth Russell entertained the members of the C. H. S. faculty at the L. G. Allen home Wednesday evening of last week. Bridge was the chosen diverson ofi the evening. A color scheme of purple and white, the school colors, was carried out with flowers in the entertaining rooms, and was repeated in the delectable refreshments at the conclusion of the games.

Guests for this enjoyable affair included: Miss Hazel Allen, Miss Alice Dawes, Miss Lillian Donnell, Miss Marguerite Dickenson, Miss Mattie Jordan, Miss Stella Rusk, Miss Grace Clark, Miss Elizabeth Weter, Miss Rosalind Hammond, Miss Adaline Strain, Miss Jewel Foster, Mr. and Mrs. I. B. Carruth, Mr. and Mrs. T. H. McDonald, and Jake Spann.

Davis is Making Post Card Views of Palo Duro

Ray V. Davis, who was greatly instrumental in bringing national recognition to the Carlsbad Cavern at Carlsbad, N. M., will attempt to do the same for the Palo Duro Canyons in this section. It was Mr. Davis who first interested the National Geographic Magazine in the cavern, which in turn brought national publicity. Mr. Davis was the first man to make pictures inside the cavern, and most of the pictures used in connection with advertising the cavern were made by him.

For several weeks he has been visiting the various beauty spots of the canyons in Randall county, and has made scores of pictures of the most beautiful views. On a number of those which he has considered above the average he has secured a copyright.

Mr. Davis is now offering to the public numerous views of the canyons in postcard size. Also he is selling several beautiful scenes in the canyons which are finished in oil colors.

Yet, despite the ability to turn out beautiful work from the hands of such a craftsman as Mr. Davis, the work of a camera falls far short of doing justice to such majestic scenes as those to be found so near at hand.

Those who have been accustomed to feast upon the beauties of the canyons in this section during all the years have no doubt become accustomed to the natural beauty and do not feel the thrill that goes with a sight of the canyons for one viewing them the first time.

The majestic beauty of God's great outdoors cannot be described with words; the brush of a skilled artist fails; only the human eye can grasp the vision of beauty that lies everywhere in colorful Palo Duro Canyon.

It is only while viewing, from a high, towering rim of the canyon, the richness of color and beauty prevalent everywhere can one realize the smallness and insignificance of man in comparison with the wonderful handiwork of nature.

The Palo Duro Canyons hold a vast fund of rich colors that are rarely found in other such places.

Mr. Davis was quick to realize the possibilities of the Palo Duro Canyons and he has joined his efforts with those of the Palo Duro Park association in an attempt to secure funds to make the canyons into a state park. Mr. Davis firmly believes that the canyons hold the same possibilities as those of any nationally known beauty spot in the west. They need only roads and the proper advertising to make them such.

The Lighthouse Canyons, which offer the most gorgeous scenes of all, are at this time closed to the public. However, there are numerous other places of beauty along the canyons that are open to the public, including the Fred Marshall ranch, the Harding ranch, and others.

The beauties of the canyons are well known to residents in this section, but little is known of the canyons away from here. It will take only proper advertising and roads built through them to make them become as nationally known scenic spots of America. The beauty is "in them thar canyons."

Miss Donna Lee Stroupe spent the week end in Pampa with friends.

Boy Scouts Aid C of C in Census Canvas of City

A thorough canvass of the town is being made by the Boy Scouts for the Chamber of Commerce in an effort to locate any and all who have not been enumerated in the present census.

The work was begun Tuesday afternoon and will be continued until it is completed. Twenty Scouts under the direction of J. W. Kleinschmidt, president of the Chamber of Commerce, and Scoutmaster C. W. West are doing the work for the Chamber of Commerce.

Get yourself counted in the 1930 census.

Don't fail to make sure that your name has been included in this count of Canyon's population for 1930. Even if you think that you have been counted, but are not sure about it, please see that your name is on the list. You may call the News office or the census enumerator, Mrs. C. R. Flesher, and an effort will be made to see that no one is missed in the count.

Remember to do it at once. Only a few days are left. This is the last time you will have to be included in the census for 10 years.

An honest effort has been made by Mrs. Flesher to include every resident of Canyon in the count, and there is no doubt that this count will be the most complete of any ever taken here. We want no one left out.

In some instances Mrs. Flesher has made numerous calls in trying to find someone at home. She wants to include everyone.

As a final appeal, do not fail to call either the News or Mrs. Flesher and an effort will be made to include you in the count if you have not already been enumerated.

Buffs in Final Meet of Year at Roswell Saturday

Coach Sam Burton and his squad of thin clads will make a trip to Roswell this week end for a dual track meet with the New Mexico Military Institute Cadets. At the Great Plains meet held here last Friday and Saturday, the Cadets took third place.

In the 220-yard dash, McCommis of the Cadets set a new record for the Great Plains meet by making it in 21.8 seconds. He also placed first in the broad jump.

The meet Saturday will be the final one this season for the Buffaloes.

Coach Burton stated yesterday morning that he would probably take Miller to the T. I. A. A. meet, which will be held next week. Miller was the only man on the Buffalo squad to place first in the Great Plains track meet. He threw the discus 127 feet to set a new mark for the meet by three feet over the old record.

The tennis team of West Texas may also go to the T. I. A. A. meet. The team, composed of Landers and Eubanks, won an easy victory over the Tech team, to become the permanent possessors of the tennis loving cup of the meet.

Mr. and Mrs. O. L. Preen and family, of Davenport, Iowa, were guests in the Peter Myers home here Tuesday. Mr. and Mrs. Preen are pioneer residents of this section of the country, as they lived west of Happy some 19 years ago.

Mrs. A. K. McBride attended the meeting of the Rebekah association at Pampa Tuesday and Wednesday.

RELIEF FROM CURSE OF CONSTIPATION

A Battle Creek physician says, "Constipation is responsible for more misery than any other cause."

But immediate relief has been found. A tablet called Rexall Orderlies has been discovered. This tablet attracts water from the system into the lazy, dry, evacuating bowel called the colon. The water loosens the dry food waste and causes a gentle, thorough, natural movement without forming a habit or ever increasing the dose.

Stop suffering from constipation. Chew a Rexall Orderlie at night. Next day bright. Get 24 for 25c today at the nearest Rexall Drug Store. City Pharmacy.

METHODIST CHURCH

Rev. G. S. Hardy of Chillicothe, Texas, will occupy the pulpit of the Methodist church Sunday at 11 a. m. The Rev. Mr. Hardy is one of the pioneer preachers of Western Texas and has had much to do with the organization of Methodism in these parts, and we request for him a splendid audience. There will be no preaching Sunday evening on account of the revival at the Baptist church.

C. E. JAMESON, Pastor.

A Sure Way To Greater Profits

Merit Hen Feed

BUILDS HEAVY LAYERS Supplies Growth Vitamins

The average hen fed on grain alone, produces only one-half the number of eggs that the same hen would develop if fed a balanced and complete ration.

MERIT EGG MASH

Increases Profit

Merit Egg Mash contains the necessary elements to produce whites, yolks and shell, and should be made available to laying hens at all times.

Sunday school meets at 10 a. m. Sunday, May 4, and May 11. No services May 4 and 11, due to absence of pastor.

Do your shopping in Canyon.

Drilling on New City Water Well Will Begin Soon

Work will begin on the drilling of the new water well for the city in the next day or so. The rig of the Western Waterworks company arrived Monday and work of unloading and setting it up began immediately.

Omar Kersey, who is the manager for the company, is here to personally supervise the drilling of the well. Two crews will work on the well, it is said, drilling both night and day, until the well is completed.

A contract for the new well was signed April 14, calling for the well to be completed by June 1.

Thirty-One Enroll for Six Weeks' Term By Saturday p. m.

Thirty-one students had enrolled for the six-weeks' Short Course by Saturday afternoon, according to a report from the Registrar's office.

Practically all of these students have been teaching in schools which close early. Special classes are being organized to care for the needs of these students. These classes will meet six days in the week, and three of them may be scheduled for each student. Three term hours credit will be given for each class, as much as for a regular three months' term's work.

The short session is offered for the benefit of those school teachers whose schools are out in April, and who desire to profitably fill in the gap between now and the opening of summer school. The six-weeks' term has been held for the past several years.

DELEGATES REPORT INTERESTING MEET AT DISTRICT CONFERENCE

Rev. C. E. Jameson, Miss Mattie Mae Swisher, Rev. Mr. and Mrs. J. H. Braswell returned from Silverton Wednesday afternoon, where they had been attending the Methodist district conference of the Plainview district. They report a very interesting conference, despite the fact that heavy rains prevented many from attending who would otherwise have been there. The next district conference will meet with the people at Dimmitt.

FORMER CANYON LADY DEAD

Mrs. Stanley Key of Tulia was stricken with illness at her home last Monday, and died Wednesday. She was buried at the Wayside cemetery on Friday. Physicians stated that heart trouble was the cause of her death.

Mrs. Key was a former resident of Canyon, and was well known here.

Top windshield is cracked on left side; windshield is scratched where wiper has been; right headlight glass broken; left fender is split; right front wheel is sprung and wobbles; stolen night of 12th of February. Reward if returned in good condition.—Virginian-Pilot and Norfolk Landmark.

W. T. People Guests of Panhandle Pen Women's Ass'n.

L. A. Osgood, of the English department, and Jack Williamson, a student whose articles and stories have appeared in recent publications, were the guests of the Panhandle Pen Women's Association Tuesday. Mr. Willard Hawkins, noted author and editor, was the principal speaker of the day.

Mr. Hawkins is the editor of "The Author and Journalist" a writer's magazine published in Denver. He is also a professional critic and novelist. His latest mystery novel "The Cawled Menoee," has received favorable comments.

The afternoon lecture was on the general basis principles of story construction and the markets which should be considered. He urged those aspiring to become writers to try their literary wings on the dark pulp paper periodicals before attempting the white glasses.

Following the afternoon lecture the Panhandle Pen Women gave a banquet in honor of Mr. Hawkins. Mr. Hawkins spoke again that evening.

KNOW TEXAS

Texas commercial failures for January were the smallest for the month in ten years. The total was 59, also the lowest in several months.

In 1929 Texas produced 509,472 tons of gypsum, manufactured value of which was $,041,156.

Rating as super-millionaires those having annual incomes of $500,000 to $2,000,000 a year, Texas has thirteen citizens in that class. Of the "common" or "garden" variety of millionaires, those with incomes from $50,000 up to the "super" class Texas has 481.

Texas is collecting approximately $2,500,000 a month in gasoline taxes. (In November the exact figures were $2,493,032). Roads get three-fourths and the available school fund one-fourth.

Texas has 110 oil refineries with combined daily capacity of 882,500 barrels of crude. One-third of the Texas total manufactures comes from these refineries.

Permanent state funds have $7,369,998 invested in bonds.

Texas derives nearly $1,500,000 a year from its poll taxes, payment of which is prerequisite to voting, and gives two thirds of it to the available school fund.

Total state expenditures in 1929 were $91,924,307, of which 37.5 per cent went for road building and 34.6 per cent for educational purposes.

The murder of the man and the finding of the body was followed by a series of tragedies, including the suicide of the murdered man.—Idaho Falls Times-Register.

Glee Club Will Sing in Hereford

The Girls Glee club of the college, directed by Miss Pauline Brigham, will give a concert at Hereford, May 8. Miss Mattie Lou Harrison and Miss Thelma McMinn, both of Hereford, will be among the soloists presented on the program.

The Glee club made a tour of the Panhandle recently, and wherever they went they were well received.

FORMER CITIZEN DIES

Word has been received of the death of Mrs. E. W. Small of Glenrose. Mrs. Small was the mother of Mrs. Lucy A. Thomas of Amarillo, who was at the bedside of her mother before her death.

Mrs. Small lived west of Canyon several years ago. She was the second white child born in Tarrant county.

ST. PAUL'S LUTHERAN CHURCH

5 miles east.

Sunday school meets at 10 a. m. Sunday, May 4, and May 11. No services May 4 and 11, due to absence of pastor.

Do your shopping in Canyon.

Drilling on New City Water Well Will Begin Soon

Work will begin on the drilling of the new water well for the city in the next day or so. The rig of the Western Waterworks company arrived Monday and work of unloading and setting it up began immediately.

Omar Kersey, who is the manager for the company, is here to personally supervise the drilling of the well. Two crews will work on the well, it is said, drilling both night and day, until the well is completed.

A contract for the new well was signed April 14, calling for the well to be completed by June 1.

Thirty-One Enroll for Six Weeks' Term By Saturday p. m.

Thirty-one students had enrolled for the six-weeks' Short Course by Saturday afternoon, according to a report from the Registrar's office.

Practically all of these students have been teaching in schools which close early. Special classes are being organized to care for the needs of these students. These classes will meet six days in the week, and three of them may be scheduled for each student. Three term hours credit will be given for each class, as much as for a regular three months' term's work.

The short session is offered for the benefit of those school teachers whose schools are out in April, and who desire to profitably fill in the gap between now and the opening of summer school. The six-weeks' term has been held for the past several years.

DELEGATES REPORT INTERESTING MEET AT DISTRICT CONFERENCE

Rev. C. E. Jameson, Miss Mattie Mae Swisher, Rev. Mr. and Mrs. J. H. Braswell returned from Silverton Wednesday afternoon, where they had been attending the Methodist district conference of the Plainview district. They report a very interesting conference, despite the fact that heavy rains prevented many from attending who would otherwise have been there. The next district conference will meet with the people at Dimmitt.

FORMER CANYON LADY DEAD

Mrs. Stanley Key of Tulia was stricken with illness at her home last Monday, and died Wednesday. She was buried at the Wayside cemetery on Friday. Physicians stated that heart trouble was the cause of her death.

Mrs. Key was a former resident of Canyon, and was well known here.

Top windshield is cracked on left side; windshield is scratched where wiper has been; right headlight glass broken; left fender is split; right front wheel is sprung and wobbles; stolen night of 12th of February. Reward if returned in good condition.—Virginian-Pilot and Norfolk Landmark.

W. T. People Guests of Panhandle Pen Women's Ass'n.

L. A. Osgood, of the English department, and Jack Williamson, a student whose articles and stories have appeared in recent publications, were the guests of the Panhandle Pen Women's Association Tuesday. Mr. Willard Hawkins, noted author and editor, was the principal speaker of the day.

Mr. Hawkins is the editor of "The Author and Journalist" a writer's magazine published in Denver. He is also a professional critic and novelist. His latest mystery novel "The Cawled Menoee," has received favorable comments.

The afternoon lecture was on the general basis principles of story construction and the markets which should be considered. He urged those aspiring to become writers to try their literary wings on the dark pulp paper periodicals before attempting the white glasses.

Following the afternoon lecture the Panhandle Pen Women gave a banquet in honor of Mr. Hawkins. Mr. Hawkins spoke again that evening.

KNOW TEXAS

Texas commercial failures for January were the smallest for the month in ten years. The total was 59, also the lowest in several months.

In 1929 Texas produced 509,472 tons of gypsum, manufactured value of which was $,041,156.

Rating as super-millionaires those having annual incomes of $500,000 to $2,000,000 a year, Texas has thirteen citizens in that class. Of the "common" or "garden" variety of millionaires, those with incomes from $50,000 up to the "super" class Texas has 481.

Texas is collecting approximately $2,500,000 a month in gasoline taxes. (In November the exact figures were $2,493,032). Roads get three-fourths and the available school fund one-fourth.

Texas has 110 oil refineries with combined daily capacity of 882,500 barrels of crude. One-third of the Texas total manufactures comes from these refineries.

Permanent state funds have $7,369,998 invested in bonds.

Texas derives nearly $1,500,000 a year from its poll taxes, payment of which is prerequisite to voting, and gives two thirds of it to the available school fund.

Total state expenditures in 1929 were $91,924,307, of which 37.5 per cent went for road building and 34.6 per cent for educational purposes.

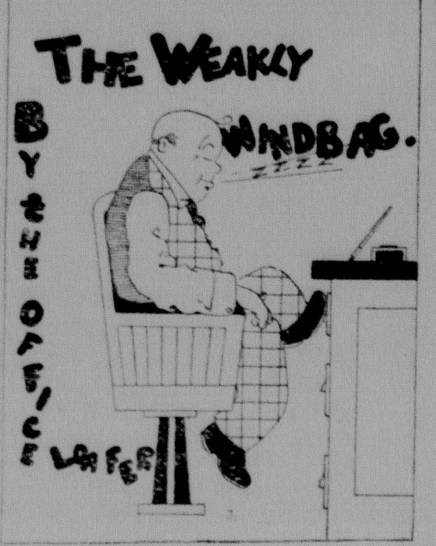
Burrow Lumber Co.

Yards at Happy, Slaton, Perryton, Dalhart, Canyon



They may have put the cat out the night before, but somebody sure forgot to wind the court house clock last Friday. In case you did not know it, the clock stopped at 4:55 p. m. Incidentally, the Office Devil set his watch by the clock and soon discovered that he was wrong, and that sure put him off, so he said.

With the census, the straw voting, and the elections and candidates for governor, ain't we got fun?

The worst part of the straw voting is that I haven't had no opportunity to vote a straw vote yet. In fact, I don't think that I will have the chance to do so now. The thing has gone too far. I am of the opinion that the strawers got afraid I would rock the boat if I voted and boys, how dry I would vote. I'd vote so dry that all the soda pop stands would take down their signs.

Seriously speaking of the straw voting, just how many of the people who blindly vote on the little tickets without showing a poll tax receipt would be able to vote the same way at the polls, and just how many of the qualified voters of the country have failed to have the ballot of the straw vote presented to them?

Overheard on the square:

"See that long, tall fellow going there?"

"Yes."

"Well, that's Bill Bryant. He's the new manager of the Texas Utilities. He's the man who took our gas money away from us, and now he's getting us with the electricity bills."

A gentle and lovable suitor
Was Percival Reginald Rolf,
The sap then elected to tutor
His flame in vagaries of golf.

It seems like that at times a fellow's efforts are in vain. All this time I have been talking about golf and golfers until some would think I was in the golf ball business the way I have been talking this inter-this place went and put this in the national pastime. Some bird around News the other day, which you see for yourself is in contradiction of all that I have been saying: "The man who plays golf all day Sunday thinks he's building up his body. He's tearing it down."

Listen, everyone, there's a little thing I would like to speak about just here. And that is giving the college students a lift. I have noticed that at most any time of the day students of the college are to be seen walking along Fourth avenue to and from the college. Also, at most any time of the day you will see Canyon people pass these students along the street when it would take only a few minutes to give them a lift to the college, or to town.

I know that giving a ride to a student isn't much, but it's the little deeds that make the other things worth while. Dont' stand aloof for fear a college boy may scar a little paint off the car, because college boys like to ride in vari-colored vehicles of their own, but give 'em a little lift along the way.

I am sure that every student would appreciate little rides and then you could go home at night feeling that you had been a little kinder during the day by letting someone else enjoy the benefit of your automobile.

Now, I do not intend to "preach a sermon," but just give you a little to think about. It's done in other cities quite a lot. In fact, I have seen few students walking along the streets of Lubbock to and from Tech college, that is, those who cared for a ride. In fact, I have picked up a few rides along Broadway myself, posing as a Tech student myself when I was on the staff of a Lubbock paper some time ago.

Think it over and decide for yourself if you'll give them a lift.

The other night I was getting ready to go some place and I said to the madam, "I can't make out which is the top and which is the bottom of these sox."

"You idiot," she said, "the big hole is the top and the collection of small ones is the foot."

News in Canyon 25 Years Ago

(From the files of the Canyon City News, April 28, 1905.)

Friday, Coffee Bros. started on a new four-room house for N. Thompson.

W. A. Donaldson of Tulia came up Tuesday to spend a few days.

J. A. Phillips, late from El Paso, came in last week on a visit to his relatives, Mr. and Mrs. B. E. Cobb.

Several phones burned out Satusday during nature's electrical display.

Earl Cobb of Artesia, N. M., was in Sunday to see the folks, returning home Monday.

Mrs. H. A. Barry of Bovina came in Thursday of last week on a visit to relatives and friends.

The terms of four of the members of the Canyon City independent school district board expired on April 11. To replace these gentlemen an election is to be held at the coure hoose, Saturday, May 6. The outgoing trustees are L. T. Lester, B. Frank Buie, R. W. O'Keefe and E. A. Upfold.

Our office ladder, advertised as lost, in these columns some two weeks ago, returned of its own volition last Friday night to its accustomed place. We accused John Guthrie of borrowing and returning in the manner stated, but he denies the charge. Thanks anyway, John.

Vetol Bogy, of Willow Point, a relative of Postmaster Cobb, is here taking in the country.

Water Line Being Extended to Hall From Power Plant

An extension of the present water line from the college power plant is being made to Randall Hall under the supervision of R. A. Terrill, head of the department of manual training.

The old line is being replaced by a new line which extends over the south lawn. Convenient hydrants are being placed over the campus so that the flower beds and shrubbery may be easily irrigated. Heretofore Randall Hall has received its water supply from the city.

The water from the college plant was turned into the new lines Sunday.

Judging from his frequent changes of allegiance "the Christian general" in China isn't so much a soldier of the cross as of the double cross.—Weston Leader.

"Konjola's Work Miraculous," Says This Lady

Waco Lady, Lifetime Resident, Enthusiastic About New Medicine That Relieved Stomach Ailment.

MRS. LILLIE COLLINS

"Konjola made a new person of me," said Mrs. Lillie Collins, 3617 Homan avenue, Waco. "For the past few years I have had a severe case of stomach trouble. The food I ate failed to digest, gas formed and I was subject to chest pains and heart palpitations. I was always tired in the morning. Pains in the small of my back from affected kidneys often kept me from doing my housework. I often suffered from numbness in my hands and feet and was extremely nervous.

"I began to get relief immediately after I began the Konjola treatment. The gas on my stomach after meals has now been eliminated and I no longer find night risings necessary. I sleep well and I am no longer nervous. I am free from back pains and my kidneys have been regulated until they function perfectly. I have not an ache or a pain in my body. The results I got from Konjola were miraculous and I heartily recommend this medicine to all who suffer as I did."

Konjola has become the most talked of medicine in America because it makes good. And Konjola makes good in the most stubborn cases when given a fair trial. Six to eight bottles are recommended for usual cases.

Konjola is sold in Canyon, Texas, at the Jarrett Drug Co., and by all the best druggists in all towns throughout this entire section.

Since the Grain Board started helping the farmers wheat has gone down from \$1.60 to \$1.10. We hope the Government doesn't take a notion to help Babe Ruth with his batting average.—Southern Lumberman.

Saving is a simple matter. You just buckle down and make money faster than your family can spend it.—Publishers Syndicate.

VITALITY!

"SURE! I can finish that today"

A strong, healthy body and mind always respond to the occasion. Employers appreciate and recognize unfailing freshness—always ready—cheerfully ready to carry on—minus that "tired feeling."

DON'T let a weakened body hold you back. Prolonged, it may result in so-called premature old age. Today's happiness and friends may be gone tomorrow.

Thousands of people have a low blood count—to this may be attributed skin troubles, "rundown" systems and even more serious ailments.

If you tire easily—lack pep—if your skin is not clear—if your appetite is "gone"—you owe it to yourself and friends to try S.S.S.

When you get your red-blood-cells back up to normal, that sluggish, let-down feeling, lack of appetite, skin troubles disappear. You should get hungry again and sleep soundly; firm flesh should take the place of that which was once flabby. You should feel strong. Your nerves become steady.

S.S.S. helps Nature build rich, red blood. It improves the processes by which the body is nourished.

For more than 100 years S.S.S. has been helping people regain and retain their strength and charm. Thousands of users have testified to its benefits in unsolicited letters of gratitude.

S.S.S. is made from strictly fresh vegetable drugs and is easily assimilated. All drug stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical.

S.S.S.

Why Count Sheep To Go to Sleep?

TOO much work, too much worry. Tired but too nervous to sleep. Counting imaginary sheep, relaxing your muscles, making your mind a blank, all no use. You'll feel "all in" tomorrow.

Just dissolve a **Dr. Miles' Effervescent Nervine Tablet** in a half glass of water. Drink the clear sparkling beverage.

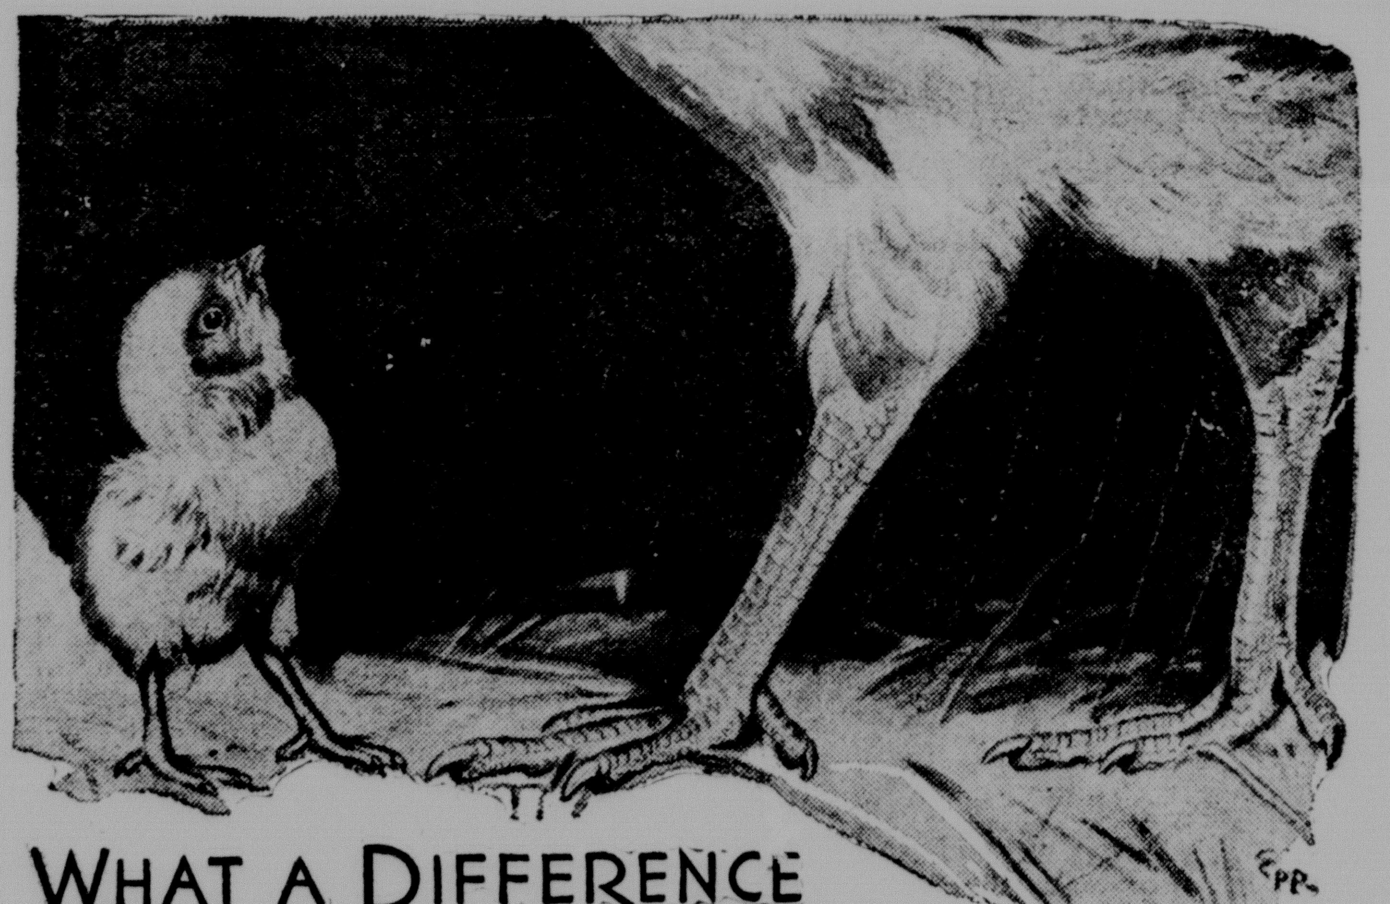
Drift off into deep dreamless sleep and get up in the morning refreshed in mind and body, and ready for the day's duties or pleasures.

Dr. Miles' Nervine is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically.

Get them at your drug store

Large Package \$1.00

DR. MILES' *Effervescent* NERVINE TABLETS



WHAT A DIFFERENCE 90 DAYS MAKE!

TODAY A TODDLING CHICK . . . in 90 days a proud pullet about to lay. There's something to think about! Tiny bones and little muscles have grown several times in size . . . a delicate fuzz has sprouted into hundreds of feathers . . . a chick weighing grams has grown into a pullet weighing pounds . . . all in 90 short days!

A wonderful change . . . and only one thing can do it . . . good feed! This year consider Purina Startena Chow (mash) and Purina Chick Chow (scratch) or All-Mash Startena Chow for the first six weeks . . . and then Purina Growena and Purina Intermediate Hen Chow until your pullets are laying at 16 weeks.

Put these Chows before your chicks. You will see pullets that are built right . . . pullets that will lay eggs aplenty in fall and winter when eggs are always worth good money.

Konjola has become the most talked of medicine in America because it makes good. And Konjola makes good in the most stubborn cases when given a fair trial. Six to eight bottles are recommended for usual cases.

Konjola is sold in Canyon, Texas, at the Jarrett Drug Co., and by all the best druggists in all towns throughout this entire section.

Since the Grain Board started helping the farmers wheat has gone down from $1.60 to $1.10. We hope the Government doesn't take a notion to help Babe Ruth with his batting average.—Southern Lumberman.

Saving is a simple matter. You just buckle down and make money faster than your family can spend it.—Publishers Syndicate.

VITALITY!

"SURE! I can finish that today"

A strong, healthy body and mind always respond to the occasion. Employers appreciate and recognize unfailing freshness—always ready—cheerfully ready to carry on—minus that "tired feeling."

DON'T let a weakened body hold you back. Prolonged, it may result in so-called premature old age. Today's happiness and friends may be gone tomorrow.

Thousands of people have a low blood count—to this may be attributed skin troubles, "run-down" systems and even more serious ailments.

If you tire easily—lack pep—if your skin is not clear—if your appetite is "gone"—you owe it to yourself and friends to try S.S.S.

When you get your red-blood-cells back up to normal, that sluggish, let-down feeling, lack of appetite, skin troubles disappear. You should get hungry again and sleep soundly; firm flesh should take the place of that which was once flabby. You should feel strong. Your nerves become steady.

S.S.S. helps Nature build rich, red blood. It improves the processes by which the body is nourished.

For more than 100 years S.S.S. has been helping people regain and retain their strength and charm. Thousands of users have testified to its benefits in unsolicited letters of gratitude.

S.S.S. is made from strictly fresh vegetable drugs and is easily assimilated. All drug stores sell S.S.S. in two sizes. Ask for the larger size. It is more economical.

S.S.S. Makes You Feel Like Yourself Again

Why Count Sheep To Go to Sleep?

TOO much work, too much worry. Tired but too nervous to sleep. Counting imaginary sheep, relaxing your muscles, making your mind a blank, all no use. You'll feel "all in" tomorrow.

Just dissolve a **Dr. Miles' Effervescent Nervine Tablet** in a half glass of water. Drink the clear sparkling beverage.

Drift off into deep dreamless sleep and get up in the morning refreshed in mind and body, and ready for the day's duties or pleasures.

Dr. Miles' Nervine is now made in two forms—Liquid and Effervescent Tablet. Both are the same therapeutically.

Get them at your drug store
Large Package $1.00

DR. MILES' Effervescent NERVINE TABLETS

WHAT A DIFFERENCE 90 DAYS MAKE!

TODAY A TODDLING CHICK . . . in 90 days a proud pullet about to lay. There's something to think about! Tiny bones and little muscles have grown several times in size . . . a delicate fuzz has sprouted into hundreds of feathers . . . a chick weighing grams has grown into a pullet weighing pounds . . . all in 90 short days!

A wonderful change . . . and only one thing can do it . . . good feed! This year consider Purina Startena Chow (mash) and Purina Chick Chow (scratch) or All-Mash Startena Chow for the first six weeks . . . and then Purina Growena and Purina Intermediate Hen Chow until your pullets are laying at 16 weeks.

Put these Chows before your chicks. You will see pullets that are built right . . . pullets that will lay eggs aplenty in fall and winter when eggs are always worth good money.

Umbarger Items

Due to the rain which fell late Sunday afternoon there was a small crowd attended the chicken dinner served Sunday evening by the ladies of St. Mary's church.

Callers in Canyon Saturday were: O. J. Potzemny, Mrs. Joe Friemel and children, Mrs. M. Hollenstein and children, Leo Stocker and family, Mr. and Mrs. Clarence Beckman and little daughter, Mrs. J. H. Irwin, Faye Irwin, and Mr. Alphonse Evers.

Miss Susie Mae Meador made a trip to Pampa Saturday.

Mr. and Mrs. Henry Batenhorst and children spent Sunday with Mr. and Mrs. J. G. Batenhorst.

Miss Ruth Frank spent Sunday with Miss Annie Potzemny.

Byers Irwin and Miss Ruth Irwin made a trip to Pampa and Mobeetie Saturday.

Mrs. E. J. Friemel returned Sunday from St. Anthony's hospital, where she has been ill for the past week.

Mr. Joe Friemel spent Sunday with his family here.

F. V. Friemel is driving a new Dodge truck.

Alberto Herrera was in Canyon Sunday.

Fred Beckman and family spent Sunday with Mrs. B. Hartman.

Mr. and Mrs. Max Hoffman spent Sunday with Mr. and Mrs. Leo Stocker.

Wayside Items

Pretty good rains have fallen recently around Wayside, some hail and wind in places. No damage near that we know of. Grass is fine.

Methodists are holding revival services this week. Rev. H. R. Smith of Happy is doing most of the preaching. Rev. J. R. Plant began Saturday night, holding over Sunday, Brother Smith coming in Monday at 11 a. m. Both are good, earnest preachers. We ask for the co-operation of everyone. Come and help in the good work. Monetta Smith, three years old, accompanied her father Monday.

Mr. and Mrs. Knox Spann are visiting at the parental Rogers home.

Mrs. Rosa Key, wife of Stanley Key, long a resident of Swisher county, recently of Tulia, Texas, was taken sick April 20, lingered a few days, and passed away Wednesday, April 23. She was of a lovely disposition, kind to all. Professing faith in Christ, she joined the Baptist church in early life. She was laid to rest in Wayside cemetery, Friday, April 25. A good woman has gone to her reward. She leaves a husband, three daughters and four sons, and other relatives, to mourn her going. The oldest son, Roy, came from Los Angeles, Calif., Kee and Claude from Wyoming, all reaching home after death had claimed their loved one. One among the largest crowds ever attending a funeral occasion here, and a greater number of the pioneers of the plains followed this good woman to her last resting place. Lovely floral offerings hid the grave from sight. She was 53 years of age.

Mrs. Ruth Aikins left the hospital last Wednesday and is at home again. Her sister, Opal Knox, is staying with her.

Wayside school closed Friday with a picnic on the canyons. The teachers, Mr. and Mrs. Scott Laycock, and Miss Cope left the teacherage Friday afternoon.

We congratulate Miss Louise Gillham on being selected as principal of Vigo Park, Texas. Wayside is proud of you, Louise. Miss Bristoe is assistant.

Mrs. John T. McGehee played hostess in carrying a number of Wayside club women to the short course in Canyon last Tuesday. Mesdames Bessie Lane, Macie Stockett, Ella Heisler, Bertha Payne and Ida Sluder enjoyed the day, thanks to her hospitality.

Mrs. Grace Counterman and family, with Tony Counterman, visited the Sluder family Sunday afternoon.

Mrs. T. A. Casey's youngest daughter, Mrs. T. B. Simpson, accompanied by her club friends, Mrs. A. B. Simpson, Mrs. A. J. Matlock and Mrs. W. E. Thomas, all of North Field, visited at the parental Casey home Monday on their way to the district short course in ladies' club work at Canyon.

J. E. McGehee and wife went to Amarillo Monday for Mrs. B. F. Wilhelm to be with us at the revival this week. We all welcome her.

Some rain and much cloudy weather is interfering with the attendance of the meeting. We hope for better attendance.

Some of the Waysiders enjoyed viewing the eclipse of the sun Monday—a grand sight.

Zita Breezes

The P. T. A. will meet Saturday night as the usual meeting night. We wish that all of the P. T. A. members would be present.

The school children are looking forward to the close of school, which will be May 16. We are planning a program in which we will all take part.

Lakeside News

The rain has been of great benefit to the farmers of this community.

L. T. Campbell was a business visitor in Hereford Tuesday.

Mrs. N. T. A. Byars was the guest of her son, Albert Byars, last week.

Mr. and Mrs. Stallings were in Canyon Saturday.

Allan Dickenson and Miss Marie O'Donnell spent the week end with Miss O'Donnell's parents at Melrose, New Mexico.

Miss Florence Dickenson of Love, spent the week end with home folks here.

Mr. and Mrs. T. G. Lair and family spent Sunday in Tulia visiting relatives.

Mr. and Mrs. Lonnie Byars visited Mrs. Albert Byars Tuesday.

Carl Dail had as a guest this week his mother, Mrs. F. T. Luch of Wichita Falls.

Albert Byars, accompanied by his mother of Lockney, visited Earl Byars of Follett last week.

Mustang Harmony Boys Sing Sunday at Meth. Church

"Those Mustang Harmony Boys" of S. M. U. sang at the Methodist Church Sunday evening under the auspices of the College Epworth League. David McPherson, the director, was former assistant director of the Wisconsin University Glee Club, and Charles Kiker, pianist, is the accompanist of the radio artist with the Bel Canto Male Quartette of Dallas.

Southern melodies and comedy classics made up the varied program which was rendered by the soloist, David Macpherson, the comedy quartet, and the thirty members of the men's glee club.

The glee club is on a tour of the Panhandle.

The College Epworth League entertained the visitors with a luncheon Sunday afternoon.

FIRST CHURCH OF CHRIST, SCIENTIST

Fifteenth street at Sixth avenue. Services every Sunday at 11 a. m., and Wednesday at 8 p. m., when testimonies, experiences and remarks on Christian Science are given. Sunday school meets at 9:45 a. m. All under 20 years of age are invited to attend these classes. Subject for Sunday, "Everlasting Punishment." A reading room is maintained in the church from 3 to 5 on Tuesdays, Thursdays and Saturdays, excepting holidays, where the Bible and authorized Christian Science literature may be read, purchased or borrowed. The public is cordially invited to attend these services and to visit the reading room.

the Catastrophe that befell Mrs. Greer's Cake

One of Mrs. Greer's masterpieces—an angel food cake—was basking in the oven's glow, taking on that coat of tan so fashionable these days—especially necessary to cakes of quality.

"Some think it's all in the beating," said Mrs. Greer inwardly as she cautiously lowered the door and peeped in, "but I claim that baking has just as much to do with . . . ."

Just then . . . . . *the telephone in the front hall rang.*

"What can you expect?" she asked irritably when her husband came home a few minutes later. Between them they viewed the ruins of what had once been a promising cake. Tears welled up in her eyes.

"I can't bake a cake and answer the 'phone at the same time," she wailed.

"No, you can't", soothed Henry Greer as he put his arm around her. "What you really need, I guess, is an 'extension' telephone near the kitchen."

Telephones where you need them save time, steps, housewifely patience—even scorched cakes. Had Henry Greer but known it, telephones are being installed in kitchens, these days.

Few know that the *extra* cost of one or two "extensions" is somewhat less than that of the single telephone they now have.

By a wisely placed "extension" or two, an expert telephone man can often double the convenience of the telephones in your home.

Just then . . . . the telephone rang!

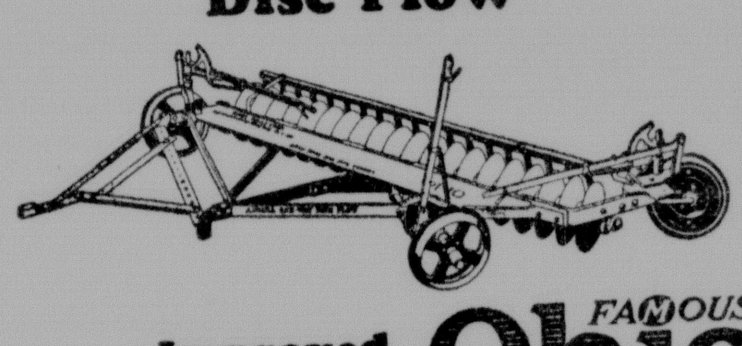
Angell "One-Way" Disc Plow



Improved 5 ways

FAMOUS Ohio

The improved Angell "One-Way" Disc Plow now offers these five improvements to the wheat farmer.

First—Removable section permits ten-foot plow to be narrowed to eight feet and other sizes to correspond.

Second—Adjustable hitch permits increasing down pressure on discs without loading and enables you to vary width of swath, cutting as narrow as six feet with ten-foot plow, if desired.

Third—Wheel can be turned so that the plow pulls endwise for passing through gates or storing.

Fourth—Two widths of disc spacing—either 6⅝" or 8¼".

Fifth—Lifting levers fitted with heavy counterbalance springs to make lifting easy.

This is the genuine Angell "One-Way" Disc Plow—invented by a Kansas Farmer to make wheat farming profitable.

"The Gift Shop"

SENIOR EDITION

THE EAGLE'S TALE

SENIOR EDITION

VOLUME NO. 4 CANYON, TEXAS, MAY 1, 1930. NUMBER 30

SENIORS RANK HIGH AS SCHOLARS

SENIORS HAVE BEEN PROMINENT THIS YEAR IN VARIOUS FIELDS OF SPORTS AND OTHER ACTIVITIES

"Seniors!" Seemingly the word reigns in everything. This year it has; especially in athletics. We were moderately successful in football. Take our powerful "Pud" Cross, fullback; Hoxie Cabe, half, 'n "Pete" Hazlewood, right end, 'n Johnny Pool, 'n "Sheik" McDaniels, left tackle, 'n Joe Jennings, end, and "Red" Covington, right end, "Red" Whalie as halfback. Didn't they win 'em? (Ask the seniors!)

The end of the Panhandle tournament in basketball found the C. H. S. boys able to eat a decent meal, since they were victors. They came home with a beautiful trophy. Two seniors starred in the tourney. They were "Sheik" as center, and "Hoxie," the captain, as forward. Both are fast, and good, reliable players. It would not do to have "Red" Whalie out of recognition. He helped in the games, too.

Toward the latter part of the season, Joe Jennings was showing us just what was in him. Jack Jackson and "Pete" Hazlewood did some good tennis playing this year, but they were not in training long enough to win in track. Track was not very successful on account of our short boys, such as Johnny Plaster, "Red" Whalie and Dubbs.

The senior girls have a big showing this year. Miss Rusk gave the girls a big start in basketball, with some held from the seniors' sponsor, Mr. McDonald. The seniors boast of four outstanding players: Polly Wilson, captain and forward; Nela Ve Roberts, who was a star at two tournaments; "Sandy" Greenfield, our redheaded guard, was never idle when she was playing, and Smithy was a fine utility player. She is the one among our universal senior players. This year Dorothy Faye and Clarice pepped up the baseball team, and we had a few Babe Ruths; among those were Margaret Gamble and Lucille Crum!

Without a shadow of a doubt, Ralph Cabe was the most popular boy of C. H. S. in athletics, and in the class room. He was the smallest regular on the football squad. He had a mighty good spirit and determination throughout all games. In basketball he was the captain and a three-year letter man. Ralph should be classed as "Jap" Parker as a captain. He was an ideal leader and a star of each and every game that the Eagles played in this season. In most games he was high point player. In the Panhandle tournament he played a good defensive game and he received recognition as an all star forward. Later on in the district tournament he led his team in two brilliant games, in which he did most of the scoring. He made 19 points out of 21 in the Pampa game. He was all district star, which means even more than just tournament star. Isn't it a pity the juniors will not have him next year?

I thoroughly believe that C. H. S. has one girl who needs special attention as an athlete. She is none other than Pauline Wilson. "Polly" started in the eighth grade as a first team player. Up until this year she was a swell guard, but the team and coach found better use for her ability; she turned out to be a forward. In 1929 she was elected as the girls' captain for 1929-1930. Her term was a very successful one. She was well liked by everyone, and without a doubt she held her own in every game equally well. Basketball was not her goal. She began tennis, and with her determination and use of her natural ability she won victoriously over Pampa, Panhandle, and Follette, with the help of "Bib" Jameson. April 26 she will go to Tulia to compete with Lockney. We all hope she will be able to go to Austin when the district meet is over.

A sweet young senior named Gwendolyne
Dined each day on one pea and one bean;
For, she said, more than that
Would make her too fat,
And she would much rather be lean.

"Red"—How were your grades the last six weeks?
Jack—Jules Verne.
"Red"—How's that?
Jack—Twenty Thousand Leagues Under the C.

Absence makes the marks grow rounder.

"Has the train left?" asked Margarette.
"I guess so, I see its tracks," replied Ralph.

CACTUS CAL

This is the senior edition of the paper and I don't need to tell you any of their good points, you can find them elsewhere on the page. So I'll just recount all of the bad things I know about them. They lost the popularity contest to the "glorious" juniors, and had the pleasure of watching the junior favorites crowned at the carnival. Then they lost the basketball tournament to the Sophomores, even though we do have to give them credit for beating the freshmen. And as far as that is concerned, some of the seniors still smell like rotten eggs since the night of the class fight, although they did stay out in the open to do their fighting.

Outside of being egotistic, conceited, and dumb, there isn't much wrong with them. There are a few handsome boys in the bunch whose names I can't recall just now, although none of them have ever won any beauty contests. Then there are a few, but very few, good looking girls, that is, according to some of the stories the boys tell. For my part, I haven't found any—yet. But they have worked hard for four, maybe five or six years, to attain this high position, and I guess they deserve it.

JUNIOR-SENIOR BANQUET

Probably the greatest event of the year was the banquet given by the juniors in honor of the seniors of C. H. S. The banquet was in the basement of the Presbyterian church last Thursday evening, April 24. This is an annual event and is always looked forward to by every student. The seniors were expecting something great, but their expectations were really gone beyond.

A dazzling oriental or Japanese style was carried out and was made very effective by little Japanese waitresses and a color scheme of lavender and pink. A delicious dinner was served in four courses, after which the real entertainment began. The presidents of the junior and senior classes, Herbert Slack and Dorothy Faye Rusk, respectively, made short talks. Mr. Carruth and Mr. McDonald gave very interesting addresses, which pleased the group very much because the two expressed their appreciation and aspirations for the two classes in the future. Miss Weter and Betty (Chinc) Sternenberg gave some very delightful readings. The opportunity might be taken here to say that if any of you ever need anyone to take a part as a singer, just call on Mrs. Carruth. She can certainly play, or rather sing, her part. A little Japanese girl (known to everyone as Polly Pitts) gave a graceful Japanese dance by which one was made to feel as if he were really sitting before a Japanese performance. The program was closed by a short talk by Elizabeth Jameson, chairman of the banquet.

The seniors of '30 cannot find words to express their appreciation and thanks for this splendid banquet given in their honor. It will long be remembered by each member of the senior class as one perfect evening.

SENIORS' WHO'S WHO

Most dignified: Robert Estes.
Most sophisticated girl: Laurene Alvord.
Most sophisticated boy: Pete Hazlewood.
Best sport: Ruth Greenfield.
Best executive girl: Dot Rusk.
Biggest flirt: Margaret Gamble.
Biggest talker: Clarice Matthews.
Most careful: Joe Jennings.
Most original excuse maker: "Pud" Cress.
Sweetest girl: Dorothy Cash.
Wittiest boy: Jack Jackson.
A man hater: Gwendolyn Black.
A woman hater: Johnny Pool.

Help Keep Canyon Clean.

Senior President

DOROTHY FAYE RUSK,

Dorothy Faye has led the senior class through four successful years of high school. In this office, she has met and solved the problems of the class to the best advantage.

Because of her attractive personality and sweet disposition, Dorothy Faye has won the friendship and admiration of all her classmates and teachers.

Dorothy Faye was one of the pep squad leaders last year and was an active member in the pep squad this year. She is intensely interested in any school activity and was a star player in the girls' junior-senior basketball game.

Dorothy Faye is one of Mrs. Fry's talented piano students, and her classmates have pleasant memories of her many entertaining recitals.

Besides these extra activities, Dorothy is an excellent student and editor-in-chief of the Eagle's Tale. Everyone whispers, "How in the world does she do it?" Ask Dorothy!

SENIOR SOCIAL CALENDAR

Although the seniors have accomplished much in athletics, studies, and literary events, the social side of school life was not forgotten. In fact, it was the most successful and enjoyable part of the school life for the seniors.

The first big event was a "kid party," given at the home of Virginia Jarrett. It was a scream to see dignified seniors dressed as kids and acting natural. Kid games were played, but the biggest treat to the seniors was watching one another. The next day they gave the entire student body a treat by wearing the kid costumes to school. It was an interesting sight to see the seniors walking down the hall with their dolls and see the freshmen hiding their faces and laughing (for of course they wouldn't dare laugh at a senior to his face). The entire school enjoyed this as much as did the seniors, because the seniors are naturally so dignified, it was funny to see them act as kids.

February was a big month for the seniors. The juniors entertained them with a lovely Valentine party in the gym, and the next week the faculty also entertained them royally with another beautiful Valentine party. The seniors had such a good time at these two parties that they talked about nothing else for weeks.

April 1 was the day of the big class fight, and oh! how the rotten eggs did fly! The fight started at about sundown and lasted until the wee hours of the morning. In fact, the next day at noon the juniors could be seen washing the front steps and walk. The seniors' colors were put up at 4 o'clock on the first day, and were still flying at 4 o'clock the following day.

Then came the memorial "Sneak Day." The seniors left at 7:30 for Harding's Ranch. When they reached their destination, they forgot all their cares and dignity, and had a wonderful time. At 12 o'clock, the eats were served (by the boys) and, oh! the hungry mouths that were fed! Everyone said they had the best time of their lives, but were tired and glad to get home.

Last Thursday the seniors attended the most wonderful banquet in the history of the school, given to them by the juniors. They are expecting one more big time, and that is a party to be given by Gwen Black soon.

"Ode to an Amoeba"

Here's to thee, Amoeba, thou of lowly birth,
The very lowest form of life there is on earth!
You are a rather tender little creature
Minuteness, though, is not your only feature;
This fact found I, to my own chagrin great,
Caused me to get a goshdarned 58!

Girls Glee Club To Give Cantata Thursday Night

In the high school auditorium at 8 o'clock on May 1 (tonight), one of the most interesting programs of the year is to be given. It is to be given by pupils of the music and speaking departments. The first thing will be a one-act play presented by the public speaking department. The scene is in an old ladies' home. The characters are:

Mrs. Mitchell	Laurene Alvord
Mrs. Fullerton	Margaret Benge
Miss Dyer	Ethel Brasuel
Mrs. Blair	Irene Hurst

The next number will be an overture, "Commedietta," by C. Gurlitt, and "A Roguish Kitten," by Franz Behr, played by Mrs. Fry's ensemble class. Members of this class are Dorothy Faye Rusk, Margaret Gamble, Gwendolyn Black, and Dorothy Cash.

Then the Girls' Glee club, under the direction of Miss Strain, will sing the Cantata, "Mon-Dah-Min" (corn) by Paul Bless. This Cantata is based on an old Indian legend. This legend is that an Ojibwa Indian maiden, chosen from her tribe each spring, must walk around a field of young corn at night, alone, with trailing blanket. This assures magic protection for growing corn, from beetles, bugs, and crows, and a harvest bountiful.

Contents of Cantata are:

1. Twilight.
2. The trial.
3. Song to Mondahmin (chosen maid).
4. Moon of the young leaves.
5. The Indian maid departs.
6. The waiting maidens.
7. The return of the Indian maid.
8. The rejoicing.

PRESIDENT HILL TO DELIVER CANYON HIGH SCHOOL COMMENCEMENT ADDRESS

The seniors of Canyon high school are very glad to announce that President J. A. Hill of the West Texas State Teachers college will deliver the commencement address at the high school auditorium Friday evening, May 16.

This will be the first time Mr. Hill has ever delivered the commencement address at Canyon high school, and the seniors are anticipating a great occasion. President Hill is a very talented speaker, and he spends much of his time each spring making such addresses.

SENIOR PLAY "SEVEN CHANCES"

The high school students are looking forward to the production of the senior play, "Seven Chances," on May 9. This play is a comedy in three acts, by Cooper McGrue.

Ralph Cabe plays the part of Jimmie Shannon, a young man who is to receive millions of dollars if he is married by the time he is 25. He only has two or three hours before his birthday to propose to a girl and marry her. Finally enough courage comes to him to propose, and six girls refuse him, one after the other. Clarice Matthews as Anne Windsor arrives at the dinner party, and she is Jimmie's ideal girl. Through her influence, Jim realizes that money can't buy real love, which is the most important thing in her life. A tragedy occurs, and Jim and Anne are each other's in the end.

The characters are:

Earl Goddard	Johnny Pool
Joe Spence	Raymond Schmidtz
Ralph Denby	Joe Jennings
Garrison	Eric Allison
George	Bob Moore
Mtekin	Pete Hazlewood
Jim Shannon	Ralph Cabe
Mrs. Garrison	Dorothy Rusk
Anne Windsor	Clarice Matthews
Irene Trevor	Margaret Gamble
Georgie	Dorothy Cash
Lily Trevor	Laurene Alvord
Peggy Wood	Gwen Black
Florence Jones	Virginia Jarrett
Betty Willoughby	O'Neal Porter

FACULTY PARTY

The faculty were guests of Miss McFarland and Miss Russell at a delightful bridge party Wednesday night. Miss Russell and Miss McFarland have always been loyal to C. H. S.; so they used purple and white, the school colors, as their color scheme. It was carried out in all decorations and refreshments.

The C. H. S. faculty has had a jolly time at several such parties as this. They are a peppy bunch, and the students are very proud to have a faculty of this kind.

SENIOR PIANO RECITAL

Friday, April 25, at 8 o'clock, Miss Margaret Gamble and Miss Gwendolyn Black were presented in a joint senior piano recital. They were assisted by Hal Gamble. This was the second senior recital to be given this year, the first being given by Misses Dorothy Cash and Dorothy Faye Rusk. The following program was greatly enjoyed by those present:

Nocturne	Paderewski
Frolic	Mona-Zucca
Reverie	Schutte
Impromptu	Karganoff
Ships of State	Longfellow
Pillar Fights	Unknown
Etude Melodique	Rogers
Wistaria	Mona-Zucca
Souvenirs	Karganoff
The Clown	Chaminade

There once was a girl named Frances
Who liked to go to the dances.
She went one school night,
The next day she wasn't bright,
And detention there was for Frances.

Senior Sponsor

T. H. McDONALD

The senior class wishes to pay tribute to their class sponsor, Mr. T. H. McDonald, who has been loyal and faithful throughout the year. The success of the senior class as an organization has been due largely to his advice and counsel.

Mr. McDonald is principal of Canyon high and in this position has met his problems with wisdom and tact. The seniors hope that he has the happiest future that it is possible for anyone to enjoy.

SENIOR CLASS POEM COLORS MOTTO

Did you ever see a class that had better poems, colors, and mottoes than the seniors of '30? No, because there isn't a class of that ability! The senior class poem is full of pep and one true to the members of the class. The poem is the following:

The seniors are a carefree, happy band
Who ever, with others, their joys share,
Who are ever ready to lend a helping hand
To some classmate, his hardships to bear.

To be strictly truthful one must confess
They're fond of neither work nor worry,
Nor yet of study, as you must surely guess,
But in athletics they surpass all the rest.

A finer, squarer bunch you'll never find,
'Tis with hopeful hearts they turn to face
The future; with regret they leave behind
The joyful, happy, senior days.

The seniors are proud of the class colors, which are purple and white. These are the school colors also and their richness suggests loyalty and purity, the keynote to the senior class of '30.

The class motto is: "Never put off for tomorrow what can be done today." The seniors have lived up to the class motto in everything that has been done during this year's work.

BISHOP SEAMAN TO DELIVER BACCALAUREATE ADDRESS TO CANYON HIGH ON MAY 11TH

The Baccalaureate services for the Canyon high school will be held Sunday, May 11, at the Presbyterian church, by Bishop Seaman of Amarillo.

The senior class feels fortunate in securing the services of Bishop Seaman, who is widely known throughout the Panhandle for his inspirational addresses.

He has spoken in Canyon on several occasions and has left a most favorable impression each time. The many friends of the senior class and Bishop Seaman are looking forward to May 11 with great expectation.

SENIOR CLASS HEADS HONOR ROLL, CLAIMING TWENTY OF THE FORTY NAMES LISTED

STAFF

Editor .... Ruth Smith

Reporters: Laurene Alvord, Gwendolyn Black, Francis Louis Reeves, Margaret Gamble, Cactus Cal, Ethel Brasuel, Dorothy Cash, Clarice Matthews, Nell Vee Roberts, Hettie Lou Bagley.

SENIOR ACTIVITIES OF '30

By Gwen Black.

Well, folks, the senior class has certainly had a grand time this year! Many worthwhile, as well as pleasurable deeds have been accomplished. The class is the largest senior class Canyon high has ever had, and everybody is mighty proud of it!

Last fall the senior class sponsored a carnival—which was quite a sucsess. Although the juniors beat us in our contest, we had lots of fun trying to put the senior representatives over the top.

Before Christmas, the Dramatic club gave a three-act farcical comedy, "Stop Thief!" This was one of the best plays ever given in Canyon high. Of the cast of 13, 10 were members of the senior class.

The cast of the Canyon high school contest play was chosen entirely from the senior class. The characters in the play were Gwendolyn Black, Raymond Schmitz, Clarice Matthews and Dorothy Cash. The play lost in semi-finals to the winner of first place in the finals.

The senior declaimers this year were Eric Allison and Margaret Benge. Eric won first place in senior boys' contest and Margaret won second in senior girls' contest. We're mighty proud of both of them!

The senior debaters were George Archer, Ethel Brasuel, and Cleo Heath. All of them did fine. The boys won second place in the meet this month.

Senior recitals this year were given by Dorothy Faye Rusk and Dorothy Cash, and Margaret Gamble and Gwendolyn Black.

The senior class play is to be given May 9. The play is "Seven Chances," a comedy.

The play, we think, is by far the best ever to be given by a C. H. S. senior class, and everybody is expected to attend. Don't fail to see it!

"Your hair needs cutting badly," said the barber.

"No, it doesn't," retorted Ralph. "It needs to be cut nicely; you cut it badly last time."

Dot C.—I suppose you are on the football team?"

Joe (proudly)—Well, yes; I do the aerial work.

Dot—What is that?

Joe—I blow up the footballs.

Mr. McDonald—Can you tell me the uses of cowhide, Robert?

Robert—Er, yessir. It keeps the cows together.

Scholarship is one of the greatest achievements of the present senior class. The 1930 class has the greatest number of scholars of any class that has graduated from Canyon high in a long time. It also exceeds any other class in high school at the present time. Last six weeks, 20 of the 40 that made the honor roll were seniors. This proves that the seniors are doing something else besides having a good time. The class is proud of her honor students, and she wants everyone to see who they are: Laurene Alvord, Hettie Lou Bagley, Ethel Brasuel, Dorothy Cash, Bruce Cleland, Helen Cox, Robert Estes, Margaret Gamble, Ruth Greenfield, Cleo Heath, Irene Hurst, Virginia Jarrett, Clarice Matthews, Robert Moore, Grace Norman, Dorothy Faye Rusk, Viola Shackelford, Ruth Smith, Joan Wallace, Gerald Wherry, Pauline Wilson.

All of these are such good pupils, there is certainly going to be a fight for high honors. Time will tell, however, who has been working the hardest all year, and here's to that one! whoever he may be.

SPANISH BANQUET

A Spanish fiesta! That is what it was. All the glamor and color of Spain were present, even to the bright costumes and gaiety.

Tuesday night, April 15, the Spanish club held its last meeting of the year in the form of a Spanish banquet at the Palace cafe. There were about 25 students and teachers present.

The Spanish color scheme of red and yellow was splendidly carried out. The favors with menus and program, had pictures of senoritas on them. They were of yellow paper written upon with red ink. The gay costumes also made one think of Spain. There was one very distinguished looking young Spaniard present whom the young senoritas flocked about. This was Senor Laurene Alvord.

The food was delicious! The first course was sopa de tomate. The other courses were of Spanish origin and were enjoyed immensely. Ask Mr. Carruth what "Aceitunas" are. He surely knows.

Oma Wilson, an ex-Spanish student of Canyon high, entertained the crowd with beautiful Spanish dancing. Grace Norman, president of the club, welcomed the guests, and Hettie Lou Bagley gave a brief history of the club. Readings were given by Elizabeth Faulkner and Virginia Jarrett. Spanish songs were sung, and the program ended with "Hasta la vista!"

Miss McFarland — Listen here, young man, are you the teacher of this class?

Outspoken one, "Sheik" — No'm, I'm not."

Miss McFarland—Then don't talk like an idiot.

THE EAGLE'S TALE

SENIOR EDITION

VOLUME NO. 4 — CANYON, TEXAS, MAY 1, 1930. — NUMBER 30

SENIORS RANK HIGH AS SCHOLARS

SENIORS HAVE BEEN PROMINENT THIS YEAR IN VARIOUS FIELDS OF SPORTS AND OTHER ACTIVITIES

"Seniors!" Seemingly the word reigns in everything. This year it has; especially in athletics. We were moderately successful in football. Take our powerful "Pud" Cross, fullback; Hoxie Cabe, half, 'n "Pete" Hazlewood, right end, 'n Johnny Pool, 'n "Sheik" McDaniels, left tackle, 'n Joe Jennings, end, and "Red" Covington, right end, "Red" Whalie as halfback. Didn't they win 'em? (Ask the seniors!)

The end of the Panhandle tournament in basketball found the C. H. S. boys able to eat a decent meal, since they were victors. They came home with a beautiful trophy. Two seniors starred in the tourney. They were "Sheik" as center, and "Hoxie," the captain, as forward. Both are fast, and good, reliable players. It would not do to have "Red" Whalie out of recognition. He helped in the games, too.

Toward the latter part of the season, Joe Jennings was showing us just what was in him. Jack Jackson and "Pete" Hazlewood did some good tennis playing this year, but they were not in training long enough to win in track. Track was not very successful on account of our short boys, such as Johnny Plaster, "Red" Whalie and Dubbs.

The senior girls have a big showing this year. Miss Rusk gave the girls a big start in basketball, with some held from the seniors' sponsor, Mr. McDonald. The seniors boast of four outstanding players: Polly Wilson, captain and forward; Nela Ve Roberts, who was a star at two tournaments; "Sandy" Greenfield, our redheaded guard, was never idle when she was playing, and Smithy was a fine utility player. She is the one among our universal senior players. This year Dorothy Faye and Clarice pepped up the baseball team, and we had a few Babe Ruths; among those were Margaret Gamble and Lucille Crum!

Without a shadow of a doubt, Ralph Cabe was the most popular boy of C. H. S. in athletics, and in the class room. He was the smallest regular on the football squad. He had a mighty good spirit and determination throughout all games. In basketball he was the captain and a three-year letter man. Ralph should be classed as "Jap" Parker as a captain. He was an ideal leader and a star of each and every game that the Eagles played in this season. In most games he was high point player. In the Panhandle tournament he played a good defensive game and he received recognition as an all star forward. Later on in the district tournament he led his team in two brilliant games, in which he did most of the scoring. He made 19 points out of 21 in the Pampa game. He was all district star, which means even more than just tournament star. Isn't it a pity the juniors will not have him next year?

I thoroughly believe that C. H. S. has one girl who needs special attention as an athlete. She is none other than Pauline Wilson. "Polly" started in the eighth grade as a first team player. Up until this year she was a swell guard, but the team and coach found better use for her ability; she turned out to be a forward. In 1929 she was elected as the girls' captain for 1929-1930. Her term was a very successful one. She was well liked by everyone, and without a doubt she held her own in every game equally well. Basketball was not her goal. She began tennis, and with her determination and use of her natural ability she won victoriously over Pampa, Panhandle, and Follette, with the help of "Bib" Jameson. April 26 she will go to Tulia to compete with Lockney. We all hope she will be able to go to Austin when the district meet is over.

A sweet young senior named Gwendolyne
Dined each day on one pea and one bean;
For, she said, more than that
Would make her too fat,
And she would much rather be lean.

"Red"—How were your grades the last six weeks?

Jack—Jules Verne.

"Red"—How's that?

Jack—Twenty Thousand Leagues Under the C.

Absence makes the marks grow rounder.

"Has the train left?" asked Margarette.

"I guess so, I see its tracks," replied Ralph.

CACTUS CAL

This is the senior edition of the paper and I don't need to tell you any of their good points, you can find them elsewhere on the page. So I'll just recount all of the bad things I know about them. They lost the popularity contest to the "glorious" juniors, and had the pleasure of watching the junior favorites crowned at the carnival. Then they lost the basketball tournament to the Sophomores, even though we do have to give them credit for beating the freshmen. 4. Moon of the young leaves.
5. The Indian maid departs.
6. The waiting maidens.
7. The return of the Indian maid.
8. The rejoicing.

PRESIDENT HILL TO DELIVER CANYON HIGH SCHOOL COMMENCEMENT ADDRESS

The seniors of Canyon high school are very glad to announce that President J. A. Hill of the West Texas State Teachers college will deliver the commencement address at the high school auditorium Friday evening, May 16.

This will be the first time Mr. Hill has ever delivered the commencement address at Canyon high school, and the seniors are anticipating a great occasion. President Hill is a very talented speaker, and he spends much of his time each spring making such addresses.

SENIOR PLAY "SEVEN CHANCES"

The high school students are looking forward to the production of the senior play, "Seven Chances," on May 9. This play is a comedy in three acts, by Cooper McGrue.

Ralph Cabe plays the part of Jimmie Shannon, a young man who is to receive millions of dollars if he is married by the time he is 25. He only has two or three hours before his birthday to propose to a girl and marry her. Finally enough courage comes to him to propose, and six girls refuse him, one after the other. Clarice Matthews as Anne Windsor arrives at the dinner party, and she is Jimmie's ideal girl. Through her influence, Jim realizes that money can't buy real love, which is the most important thing in her life. A tragedy occurs, and Jim and Anne are each other's in the end.

The characters are:

Earl Goddard	Johnny Pool
Joe Spence	Raymond Schmidtz
Ralph Denby	Joe Jennings
Garrison	Eric Allison
George	Bob Moore
Mtekin	Pete Hazlewood
Jim Shannon	Ralph Cabe
Mrs. Garrison	Dorothy Rusk
Anne Windsor	Clarice Matthews
Irene Trevor	Margaret Gamble
Georgie	Dorothy Cash
Lily Trevor	Laurene Alvord
Peggy Wood	Gwen Black
Florence Jones	Virginia Jarrett
Betty Willoughby	O'Neal Porter

FACULTY PARTY

The faculty were guests of Miss McFarland and Miss Russell at a delightful bridge party Wednesday night. Miss Russell and Miss McFarland have always been loyal to C. H. S.; so they used purple and white, the school colors, as their color scheme. It was carried out in all decorations and refreshments.

The C. H. S. faculty has had a jolly time at several such parties as this. They are a peppy bunch, and the students are very proud to have a faculty of this kind.

SENIOR PIANO RECITAL

Friday, April 25, at 8 o'clock, Miss Margaret Gamble and Miss Gwendolyn Black were presented in a joint senior piano recital. They were assisted by Hal Gamble. This was the second senior recital to be given this year, the first being given by Misses Dorothy Cash and Dorothy Faye Rusk. The following program was greatly enjoyed by those present:

Nocturne	Paderewski
Frolic	Mona-Zucca
Reverie	Schutte
Impromptu	Karganoff
Ships of State	Longfellow
Pillar Fights	Unknown
Etude Melodique	Rogers
Wistaria	Mona-Zucca
Souvenirs	Karganoff
The Clown	Chaminade

There once was a girl named Frances
Who liked to go to the dances.
She went one school night,
The next day she wasn't bright,
And detention there was for Frances.

Senior Sponsor

T. H. McDONALD

The senior class wishes to pay tribute to their class sponsor, Mr. T. H. McDonald, who has been loyal and faithful throughout the year. The success of the senior class as an organization has been due largely to his advice and counsel.

Mr. McDonald is principal of Canyon high and in this position has met his problems with wisdom and tact. The seniors hope that he has the happiest future that it is possible for anyone to enjoy.

SENIOR CLASS POEM COLORS MOTTO

Did you ever see a class that had better poems, colors, and mottoes than the seniors of '30? No, because there isn't a class of that ability! The senior class poem is full of pep and one true to the members of the class. The poem is the following:

The seniors are a carefree, happy band
Who ever, with others, their joys share,
Who are ever ready to lend a helping hand
To some classmate, his hardships to bear.

To be strictly truthful one must confess
They're fond of neither work nor worry,
Nor yet of study, as you must surely guess,
But in athletics they surpass all the rest.

A finer, squarer bunch you'll never find,
'Tis with hopeful hearts they turn to face
The future; with regret they leave behind
The joyful, happy, senior days.

The seniors are proud of the class colors, which are purple and white. These are the school colors also and their richness suggests loyalty and purity, the keynote to the senior class of '30.

The class motto is: "Never put off for tomorrow what can be done today." The seniors have lived up to the class motto in everything that has been done during this year's work.

BISHOP SEAMAN TO DELIVER BACCALAUREATE ADDRESS TO CANYON HIGH ON MAY 11TH

The Baccalaureate services for the Canyon high school will be held Sunday, May 11, at the Presbyterian church, by Bishop Seaman of Amarillo.

The senior class feels fortunate in securing the services of Bishop Seaman, who is widely known throughout the Panhandle for his inspirational addresses.

He has spoken in Canyon on several occasions and has left a most favorable impression each time. The many friends of the senior class and Bishop Seaman are looking forward to May 11 with great expectation.

SENIOR CLASS HEADS HONOR ROLL, CLAIMING TWENTY OF THE FORTY NAMES LISTED

SENIOR ACTIVITIES OF '30

By Gwen Black.

Well, folks, the senior class has certainly had a grand time this year! Many worthwhile, as well as pleasurable deeds have been accomplished. The class is the largest senior class Canyon high has ever had, and everybody is mighty proud of it!

Last fall the senior class sponsored a carnival—which was quite a success. Although the juniors beat us in our contest, we had lots of fun trying to put the senior representatives over the top.

Before Christmas, the Dramatic club gave a three-act farcical comedy, "Stop Thief!" This was one of the best plays ever given in Canyon high. Of the cast of 13, 10 were members of the senior class.

The cast of the Canyon high school contest play was chosen entirely from the senior class. The characters in the play were Gwendolyn Black, Raymond Schmitz, Clarice Matthews and Dorothy Cash. The play lost in semi-finals to the winner of first place in the finals.

The senior declaimers this year were Eric Allison and Margaret Benge. Eric won first place in senior boys' contest and Margaret won second in senior girls' contest. We're mighty proud of both of them!

The senior debaters were George Archer, Ethel Brasuel, and Cleo Heath. All of them did fine. The boys won second place in the meet this month.

Senior recitals this year were given by Dorothy Faye Rusk and Dorothy Cash, and Margaret Gamble and Gwendolyn Black.

The senior class play is to be given May 9. The play is "Seven Chances," a comedy.

The play, we think, is by far the best ever to be given by a C. H. S. senior class, and everybody is expected to attend. Don't fail to see it!

"Your hair needs cutting badly," said the barber.

"No, it doesn't," retorted Ralph. "It needs to be cut nicely; you cut it badly last time."

Dot C.—I suppose you are on the football team?"

Joe (proudly)—Well, yes; I do the aerial work.

Dot—What is that?

Joe—I blow up the footballs.

Mr. McDonald—Can you tell me the uses of cowhide, Robert?

Robert—Er, yessir. It keeps the cows together.

Scholarship is one of the greatest achievements of the present senior class. The 1930 class has the greatest number of scholars of any class that has graduated from Canyon high in a long time. It also exceeds any other class in high school at the present time. Last six weeks, 20 of the 40 that made the honor roll were seniors. This proves that the seniors are doing something else besides having a good time. The class is proud of her honor students, and she wants everyone to see who they are: Laurene Alvord, Hettie Lou Bagley, Ethel Brasuel, Dorothy Cash, Bruce Cleland, Helen Cox, Robert Estes, Margaret Gamble, Ruth Greenfield, Cleo Heath, Irene Hurst, Virginia Jarrett, Clarice Matthews, Robert Moore, Grace Norman, Dorothy Faye Rusk, Viola Shackelford, Ruth Smith, Joan Wallace, Gerald Wherry, Pauline Wilson.

All of these are such good pupils, there is certainly going to be a fight for high honors. Time will tell, however, who has been working the hardest all year, and here's to that one! whoever he may be.

SPANISH BANQUET

A Spanish fiesta! That is what it was. All the glamor and color of Spain were present, even to the bright costumes and gaiety.

Tuesday night, April 15, the Spanish club held its last meeting of the year in the form of a Spanish banquet at the Palace cafe. There were about 25 students and teachers present.

The Spanish color scheme of red and yellow was splendidly carried out. The favors with menus and program, had pictures of senoritas on them. They were of yellow paper written upon with red ink. The gay costumes also made one think of Spain. There was one very distinguished looking young Spaniard present whom the young senoritas flocked about. This was Senor Laurene Alvord.

The food was delicious! The first course was sopa de tomate. The other courses were of Spanish origin and were enjoyed immensely. Ask Mr. Carruth what "Aceitunas" are. He surely knows.

Oma Wilson, an ex-Spanish student of Canyon high, entertained the crowd with beautiful Spanish dancing. Grace Norman, president of the club, welcomed the guests, and Hettie Lou Bagley gave a brief history of the club. Readings were given by Elizabeth Faulkner and Virginia Jarrett. Spanish songs were sung, and the program ended with "Hasta la vista!"

Miss McFarland — Listen here, young man, are you the teacher of this class?

Outspoken one, "Sheik" — No'm, I'm not."

Miss McFarland—Then don't talk like an idiot.

Southwestern Teachers of Okla. Win Cup in Great Plains Meet on Buffalo Field Saturday

W. T. Gets Fifth Place in Meet; Miller Makes Only First Place Won By W. T.; Six New Records are Set in Events.

The Southwestern Teachers College of Weatherford, Oklahoma, for the third consecutive year, won the Great Plains track and field meet by nosing out Central Teachers, one of its own state schools, 62 to 42. This gives Southwestern permanent possession of the cup.

New Mexico Military Institute took third place with 30½ points, Texas Tech 4th with 24, and West Texas fifth with 12 points.

This was the best meet ever held on the Plains of Texas and is always equal to any school meet. Six new records were set in the events Saturday. Neal, of Southwestern, ran the mile in 4 min. 33 1-5 seconds, beating the old record 3 seconds. McCommis, flash star from N. M. M. I., didn't come up to his own 9.8 seconds mark in the 100 yard dash, but broke his record in the 220 yard dash but 2-10 of a second. His old time was 22 flat and his new mark is 21.8.

Roberts of Southwestern broke his own record in the 2 mile run. His time was 10 minutes, 27.8 seconds, beating his old mark 2.2 seconds.

Miller, of West Texas, tossed the discus 127 feet to break the old record 3 feet. Miller was the only man representing West Texas that won first place.

Swafford of Central set the new javelin record at 178 feet and 8 inches. He beat the record six feet, 3 inches.

In all, this was the fastest meet ever held in Canyon, and this the 10th Annual Great Plains meet will go down in history.

Although West Texas brought up the rear, there are some good men on the squad. Keith, the star 440 man, took third place in this event. Keith is the best runner on the squad and is making a name for himself during his first year in college. The time was 51.4.

Gerald made a record run for his part on both the Medley and Mile relays. He proved to be the best 220 dash man on the team. On his quarter in the mile relay, Gerald brought the baton in second to give to Dubbs.

Carter, Burk, Dubbs, Morris, Penick, Crain, Swafford, Shirley, P. Nafzger, W. Nafzger, Cox and Monroe, were the track men on the team, while Logan, Britt, Harvel, Ward, Fuller and Comer were the field men.

Swafford lacked out running one man to place in the 2 mile. Morris also missed one shot at placing in the half mile, but he ran a pretty run.

Fuller tied for 4th place in the pole vault at 11 feet 6 inches.

The Buffaloes next and last track meet will be with the N. M. M. I. Cadets at Roswell next Saturday.

The summary:

High Hurdles—Stambough, Southwestern; Compton, Central; Dillard, Clarendon, and Payne, Texas Tech. Time 15.8 seconds.

100 Yard Dash—McCommis, New Mexico Military; Kilbie, Central; Folks, Southwestern; Turner, N. M. M. I. Time 9.9. seconds.

Mile Run—Neal, Southwestern; Roberts, Southwestern; Hodgson, Central; Hale, Southwestern. Time 4 min. 33 1-5 sec. (New record.)

220 Yard Dash—McCommis, N. M. M. I.; Kilbie, Central; Folks, Southwestern; Stambaugh, Southwestern. Time 21.8 seconds. New record.)

440 Yard Dash—Holt, Southwestern; Harris, Southwestern; Keith Canyon; Caldwell, N. M. M. I. Time 51.4.

Medley Relay—Southwestern; N. M. M. I.; Texas Tech; West Texas. Time 3 minutes 45 seconds.

220 Yard Low Hurdles—Waller, Texas Tech; Stambaugh, Southwestern; Compton, Central; Woolridge, Texas Tech. Time 26 seconds.

880 Yard Run—Intolubbe, Central; Hill, Texas Tech; Hall, Panhandle A. and M.; Neal, Southwestern. Time 2 minutes, 3.8 seconds.

Mile Relay—Central; Southwestern; Texas Tech; West Texas. Time 3 minutes, 29.3 seconds. (New record.

Field Events

Pole Vault—Strong, Southwestern; Dickerson, Southwestern; Jackson, N. M. M. I.; Thomas and Fuller of West Texas tied for fourth. Height, 11 feet 6 inches.

Shot Put—Byer, Central; Foley, N. M. M. I.; Miller, West Texas; Walters, Texas Tech. Distance 40 feet 5 inches.

High Jump—Strong, Southwestern; Medley, Southwestern; Foley, N. M. M. I.; Compton, Central. Height 6 feet 2 inches.

Discus—Miller, West Texas; Byers, Central, Walters, Texas Tech; Payne, Texas Tech. Distance 127 feet. (New record.)

Broad Jump—McCommis, N. M. M. I.; Foley, N. M. M. I.; Woolridge, Texas Tech; Thomas, Central. Distance 22 feet, 1 inch.

Javelin—Swafford, Central; Fisher, Texas Tech; Ford, Amarillo Junior; Graham, N. M. M. I. Distance 178 feet, 8 inches. (New record.)

Let other navies tag their ships with such awe-inspiring cognomens as Dauntless, Scorpion, and Terror. The U. S. Navy simply christens its newest cruiser Chicago, and lets it go at that.—Chicago Daily News.

Speeches Made at Pampa Meet by W.T. People Last Week

Mrs. T. V. Reeves, Mrs. Geraldine Green, and Mrs. . A. Hill attended the meeting of the Seventh District Texas Federation of Women's Clubs at Pampa April 23, 24, and 25th. Mrs. Hill is chairman of the department of the American Home for the Seventh District. Mrs. Reeves is chairman of the department of Public Welfare. Mrs. Green, made one of the principle addresses of the three days meeting.

The Home Economics Club sent two delegates to the convention. Miss Lucile Rice of McLean, a sophomore, and president of the club, and Miss Hazel Price of Amarillo, a freshman, and vice-president of the club, were the two representatives in attendance.

On the first day of the meet, William Dawes of Big Spring, a junior, appeared on the program as special talent from the college, sang three numbers for the assemblage. He was accompanied by Miss Pauline Brigham of the college department of music. On Thursday afternoon Miss Zella Mae Walser of Hereford, a senior, acting in the same capacity as Mr. Dawes, gave several readings.

Help Keep Canyon Clean.

W. T. Entrants In T. I. P. A. Contests Make Good Showing

Entering in 10 of the 13 Texas Intercollegiate Press association contests, West Texas State Teachers College contestants won places in seven, making a high average.

The contests entered by this college were newspaper, news-story, feature story, editorial, sports story, formal essay, familiar essay, serious short story, poem, and yearbook, the contests in humorous short story, one-act play, and literary magazine being the only ones not entered.

In those contests entered, the following material won places as here given: In newspaper contest, the Prairie, with Anna Throckmorton as editor, took third place in class B; news stories, "Loy Collections Bring Many Treasures of Ancient days," an article, by Anna Throckmorton, won second place; sports stories, "Point a Minute," an article by Jim Crowder, Prairie sports editor, took second place; formal essay, "Beauty and Simplicity," by Faye Hedgecoke, won second place; familiar essay, "An Acknowledgment of Spring," by Gene Elo, took second place; poem, "Cacti," by Wayne Griffitss, won third place; annual, "Le Mirage," an issue edited by Ruth Strain, with Leo Forrest as business manager, won second place in class B.

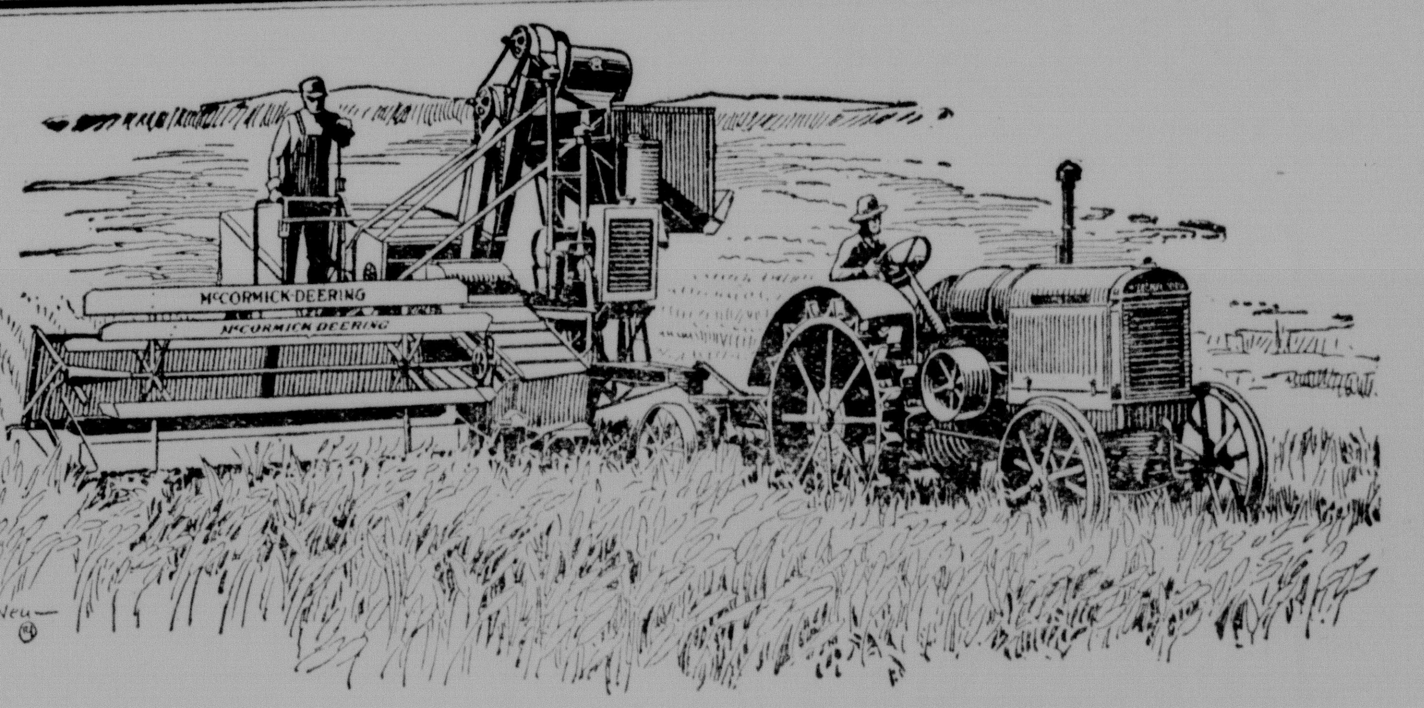
Are *You* Ready

When *your* Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you *can* be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the crueler pangs of colic, or constipation, or diarrhea; effective, too, for older children. *Twenty-five million bottles were bought last year.*

Fletcher's CASTORIA

Cuts and Threshes <u>All</u> Small Grain and Seeds



WHEN you invest in a combine you want a machine that does more than head and thresh grain. You want an honest-to-goodness harvester-thresher that can harvest and thresh all small grain and seed crops year after year—under adverse as well as favorable conditions—that is able to cut the grain regardless of whether it is lodged and tangled, short, or light and fluffy. You want a combine that gives dollar-for-dollar value—*and more.*

The McCormick-Deering No. 8 Harvester-Thresher is the combine that never slips over the heads in lodged and tangled grain and that gets the heads in extremely short grain. It *actually* cuts a 4-inch stubble. The long guards raise the tangled crop—the sickle cuts it without loss—it is delivered upon a grain-tight platform canvas and carried evenly to the cylinder.

The wide, grain-tight platform canvas is the only *sure method* of harvesting and saving grain that is down and tangled. And it is the only way seed crops and flax can be handled. It has stood the test of harvesting and threshing all over the world for many years.

We strongly recommend the McCormick-Deering No. 8 as the harvester-thresher that will pay its way on all crops and give you a full return on your investment. Come in and see this harvester-thresher—let us go over its many features that result in cleaner grain and more profit to its owners. Examine, also, our complete service and parts departments that have been built up through years of selling and servicing McCormick-Deering Harvester-Threshers, Harvesting Machines, Threshers, Tractors, and other Power-Farming Equipment.

12 Important McCormick-Deering Points

1. *Adjustable to cut low. Gets lodged and tangled grain.*
2. *Continuation of grain-tight platform canvas forms lower elevator canvas. No grain lost at end of platform. Large-capacity, wide elevator carries all grain to feeder.*
3. *Chain and slat feeder carries grain, heads first, into the cylinder. Direct front feed.*
4. *Spiked beater in feeder assures positive feeding and controls delivery of grain to cylinder.*
5. *Ninety per cent separation at cylinder. Straw and grain thus separated never mix again.*
6. *Four-section straw rack. Extends entire length of thresher from cylinder to straw spreader. Combs straw apart, drops it three times, thoroughly shakes out all the grain.*
7. *Extra long chaffer and cleaning sieve thoroughly cleans grain.*
8. *Revolving weed screen takes weed seeds out of threshed grain and bags them. Saves dockage and reduces spread of weeds.*
9. *Platform folds for transportation—does not have to be detached. No transport truck to buy.*
10. *A pioneer of small combines—backed by 99 years of practical harvesting-machine experience and by field tests under difficult conditions in the harvest fields of the world.*
11. *Expert service on the entire machine by permanent dealers and Company-owned branches.*
12. *Handles a variety of crops under a variety of conditions and seasons.*

Southwestern Teachers of Okla. Win Cup in Great Plains Meet on Buffalo Field Saturday

W. T. Gets Fifth Place in Meet; Miller Makes Only First Place Won By W. T.; Six New Records are Set in Events.

The Southwestern Teachers College of Weatherford, Oklahoma, for the third consecutive year, won the Great Plains track and field meet by nosing out Central Teachers, one of its own state schools, 62 to 42. This gives Southwestern permanent possession of the cup.

New Mexico Military Institute took third place with 30½ points, Texas Tech 4th with 24, and West Texas fifth with 12 points.

This was the best meet ever held on the Plains of Texas and is always equal to any school meet. Six new records were set in the events Saturday. Neal, of Southwestern, ran the mile in 4 min. 33 1-5 seconds, beating the old record 3 seconds. McCommis, flash star from N. M. M. I., didn't come up to his own 9.8 seconds mark in the 100 yard dash, but broke his record in the 220 yard dash but 2-10 of a second. His old time was 22 flat and his new mark is 21.8.

Roberts of Southwestern broke his own record in the 2 mile run. His time was 10 minutes, 27.8 seconds, beating his old mark 2.2 seconds.

Miller, of West Texas, tossed the discus 127 feet to break the old record 3 feet. Miller was the only man representing West Texas that won first place.

Swafford of Central set the new javelin record at 178 feet and 8 inches. He beat the record six feet, 3 inches.

In all, this was the fastest meet ever held in Canyon, and this the 10th Annual Great Plains meet will go down in history.

Although West Texas brought up the rear, there are some good men on the squad. Keith, the star 440 man, took third place in this event. Keith is the best runner on the squad and is making a name for himself during his first year in college. The time was 51.4.

Gerald made a record run for his part on both the Medley and Mile relays. He proved to be the best 220 dash man on the team. On his quarter in the mile relay, Gerald brought the baton in second to give to Dubbs.

Carter, Burk, Dubbs, Morris, Penick, Crain, Swafford, Shirley, P. Nafzger, W. Nafzger, Cox and Monroe, were the track men on the team, while Logan, Britt, Harvel, Ward, Fuller and Comer were the field men.

Swafford lacked out running one man to place in the 2 mile. Morris also missed one shot at placing in the half mile, but he ran a pretty run.

Fuller tied for 4th place in the pole vault at 11 feet 6 inches.

The Buffaloes next and last track meet will be with the N. M. M. I. Cadets at Roswell next Saturday.

The summary:

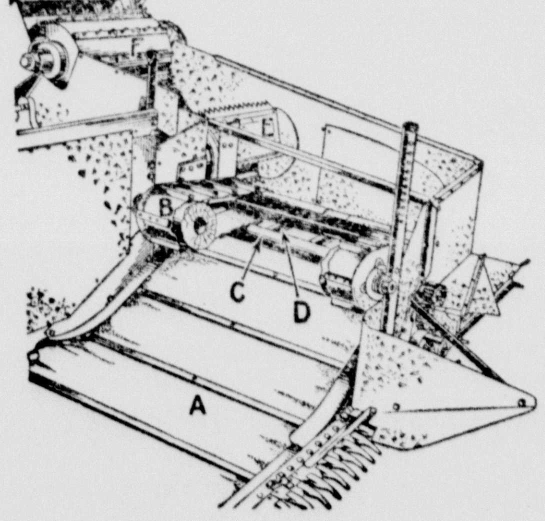
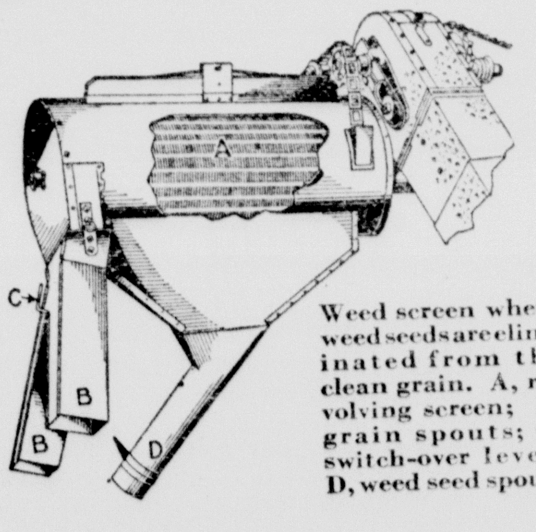
6. *Four-section straw rack. Extends entire length of thresher from cylinder to straw spreader. Combs straw apart, drops it three times, thoroughly shakes out all the grain.*
7. *Extra long chaffer and cleaning sieve thoroughly cleans grain.*
8. *Revolving weed screen takes weed seeds out of threshed grain and bags them. Saves dockage and reduces spread of weeds.*
9. *Platform folds for transportation—does not have to be detached. No transport truck to buy.*
10. *A pioneer of small combines—backed by 99 years of practical harvesting-machine experience and by field tests under difficult conditions in the harvest fields of the world.*
11. *Expert service on the entire machine by permanent dealers and Company-owned branches.*
12. *Handles a variety of crops under a variety of conditions and seasons.*

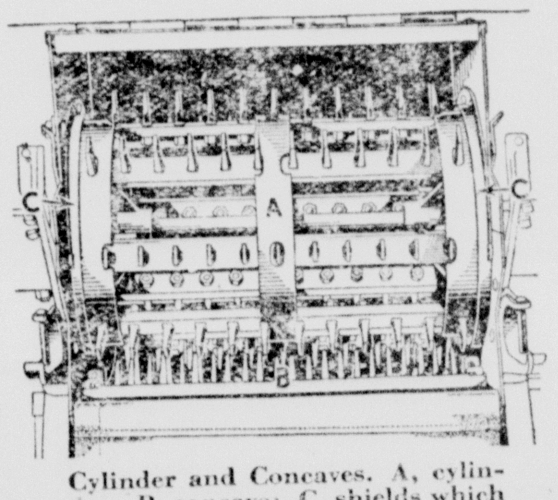
THOMPSON HARDWARE CO.
Canyon, Texas



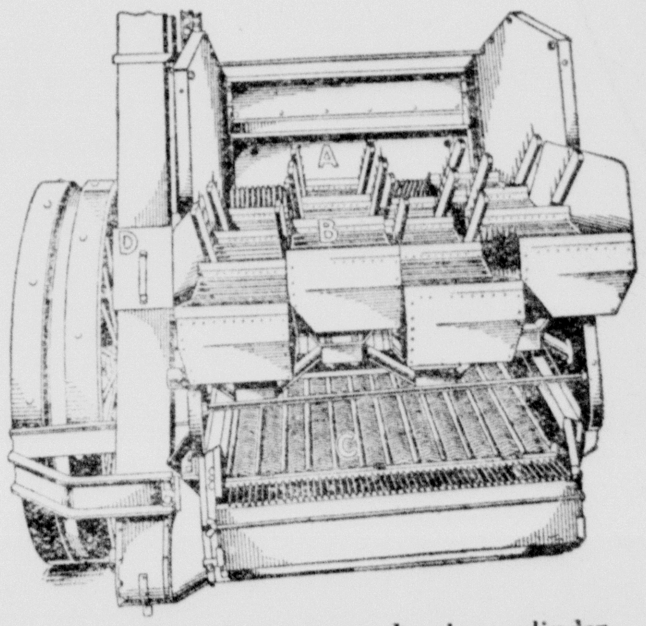
Elevator and Feeder. A, platform and lower elevator canvas. B, upper elevator canvas cut away to show extra roller C, and carrier D. E, saw-toothed beater; F, spiked beater, which helps to carry grain to cylinder.



Weed screen where weed seeds are eliminated from the clean grain. A, revolving screen; B, grain spouts; C, switch-over lever; D, weed seed spout.



Cylinder and Concaves. A, cylinder; B, concave; C, shields which prevent straw from winding around cylinder shaft. The cylinder is mounted on ball bearings.



Rear view of separator showing cylinder beater A, straw racks B; note steel pins in straw rack risers which comb the straw apart and release the grain. C is the shoe, and D, opening in tailings elevator.

Are *You* Ready

When *your* Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you *can* be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner done than Baby is soothed; relief is just a matter of moments. Yet you have eased your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the crueler pangs of colic, or constipation, or diarrhea; effective, too, for older children. *Twenty-five million bottles were bought last year.*

Jowell News

Everybody was glad to get the nice rains which fell Sunday and Monday nights, but some damage was done to sheds and outbuildings during the wind storm Sunday evening. The barn and hen house at J. L. Delbeck's was wrecked and the sheep sheds at Jim Rowell's were also unroofed and carried out into Mr. Kinzie's field.

A good attendance at Sunday school and church Sunday, and Rev. Mr. Tomson's sermon was enjoyed by all.

Mr. and Mrs. A. L. Glenn accompanied their sister to Floydada last Friday for several days' visit with relatives.

Marion Davis and family, of Arney, spent Sunday with Mr. and Mrs. Frank Davis.

Mr. and Mrs. Jewell Jones and children, of Terra Blanca, Rev. Mr. and Mrs. Tomson and children, of Canyon, Melvin and Abbie Leavitt were dinner guests at the W. H. Lowe home Sunday.

The Jowell and Arney school boys met and played a very interesting game of baseball Friday, which was won by the Jowell boys.

Mr. and Mrs. Henry Burtz and daughters, of Canyon, spent Sunday with Mr. and Mrs. Earl Davis.

Miss Edith Childress of Canyon, Mr. and Mrs. Louis Hinders spent Sunday with Mr. and Mrs. H. Garvin.

W. Fewell and children arrived home Sunday morning from Copperas Cove, Texas.

A program will be given at the Jowell school house Friday night, May 2. Everybody is invited to attend.

Mr. and Mrs. Kelley and daughter, of Rio Grande Valley, are visiting their daughter, Mrs. M. D. Randolph.

Red Cross Pre-School Clinic Was Successful

More than 50 children, 29 of whom will enter school next year, were examined at the pre-school clinic of the Red Cross, which was held at the court house Saturday from the hours of 9 to 12 in the morning and 1 to 4 in the afternoon.

Miss Ridley, Red Cross nurse, who has been employed for the past three months by the Randall county chapter of the American Red Cross, conducted the pre-school clinic as a concluding feature of her inspection and examination of the physical condition of all school children of Randall county.

In the clinic Saturday she was assisted by local physicians and dentists. Mrs. Dan Sanders was chairman of the clinic, assisted by 14 others. Expressions of satisfaction were made by all who attended the clinic, and it is evident that the work of the Red Cross in the health campaign of the schools of Randall county is greatly appreciated.

In the examinations of the children Saturday it was found that only one was under weight, while eight were under weight five pounds or more; 10 needed treatment for bad tonsils and 14 needed treatment for bad teeth. It is the hope of those who had charge of the clinic that the suggestions for correction of the deficiencies in the health of the children will be carried out, thus obtaining the real results set out as the object of the clinic. It is only just and fair to the child that they be given the proper start in school by a strong body physically.

A statement from Mrs. A. W. Sternenberg, chairman of the committee in charge of the work of the nurse, follows:

"In the three months that the American Red Cross has furnished a nurse for Randall county there has been a most excellent program of service and we hope that arrangements can again be made at some other time to keep the school physically fit.

"There have been so many over the county assisting with this work that it would be impossible to mention all, but they were appreciated. However, we wish to mention the co-operation given by the various teachers, also Judge B. F. Fronabarger and Miss Olive Schramm, the latter permitting the use of rooms for an office and the clinic. To the Canyon News we offer thanks for the publicity given, for without this the program could not have been carried on.

"To Miss Ridley, the Red Cross nurse, who has worked untiringly to give every child in Randall county the benefit of her services, we offer our sincere thanks.

"MRS. A. W. STERNENBERG,
"Chairman of the Red Cross Nursing Service."

Make Your Ownership Sure

The wisest provision you can make to safeguard the finances invested in your property is to obtain ADEQUATE fire insurance in proper forms.

With this protection your credit is strengthened and your equity in the property made secure.
